Reasons to buy a Swift Caravan

Whether you are seeking exhilarating adventure or peace and tranquility, our aim at Swift is to make your holiday as comfortable and enjoyable as possible

[Find out what sets Swift apart](#)

1

Reliable Build Quality

Exclusive to Swift, SMART Construction is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

**No wonder we've given
it a 10-year manufacturer
bodyshell warranty**

2

Protecting good looks

GRP outer skin, hail resistant roof and GRP front and rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS. Inside, cushioning tested to extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home from home looking its best.

Swift caravans are built to last

PURE ENJOYMENT

Renowned for its great looks, outstanding value and being light enough to be towed by most family cars, the Challenger has a new streamlined aerodynamic profile for 2019. A new sweeping front panel incorporates triple opening windows and a new panoramic sunroof design.

Stylish carbon fibre effect wide gas locker door, chrome effect grab handles, convenient one key exterior locks and exclusive bright LED road lighting are just some of the finishing exterior touches.

With nine layouts, including a new twin axle model with rear island bed, there's a model to match your touring lifestyle. As all are built with Swift's leading SMART construction system incorporating timber-less framing and GRP balanced panels, your investment is even better protected.

The new panoramic sunroof, with recessed lights and speakers, allows plenty of natural light into the interior where new 'Glacier' soft furnishings with warm natural tones and purple hues are paired with 'Aralie Sen' woodgrain.

A redesign of the front chest and binnacle area now features a soft close drawer with a handy concealed drawer inside.

Gloss high level lockers include new front corner opening lockers for extra storage and adding to the quality feel are pleated cassette blinds to the windows.

Flexible seating and sleeping arrangements feature Swift's exclusive AirWave cushioning with a unique construction that expertly blends comfort and support. Fixed beds are topped with the ultra-comfortable Duvalay Duvalite mattress, again exclusive as standard equipment to Swift.

SWIFT

Well-equipped kitchens and washrooms house an array of clever storage solutions. Plentiful hot water is provided by the Truma Combi heating system and you have the option to upgrade to Alde wet central heating.

Boosting specification levels further is the enhanced Swift Command control system with new larger 7", easier to use, LCD colour touchscreen control panel with improved functionality and app interface, featuring new integrated DAB and FM radio tuning and sound setting control. The option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker provides added protection.

There is also a 'Lux' pack option which adds a stylish illuminated kitchen splashback, external BBQ point, external 230V socket, external service door and key fob operated alarm system, which creates an overall package that's hard to beat.

SPECIFICATION NOTES

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.

2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size
Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Truma provide one of the industry's leading heating systems which features as standard on Challenger models. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of our products to prove they meet the Grade 3 standard for heating and insulation.

Way back in 1994 Swift chose Alde heating systems to help make their caravans feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable caravan heating for the great explorers of the world, and keep on innovating to this day. Swift caravans are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your caravan. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
