Reasons to buy a Swift Caravan

Whether you are seeking exhilarating adventure or peace and tranquility, our aim at Swift is to make your holiday as comfortable and enjoyable as possible

Find out what sets Swift apart

1

Reliable Build Quality

Exclusive to Swift, SMART Construction is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

**No wonder we've given
it a 10-year manufacturer
bodyshell warranty**

2

Protecting good looks

GRP outer skin, hail resistant roof and GRP front and rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS. Inside, cushioning tested to extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home from home looking its best.

Swift caravans are built to last

PURE HERITAGE

2019 is a special year for Eccles range as it celebrates its 100th anniversary. To mark the occasion a limited edition 100th anniversary graphics scheme adorns its new streamlined aerodynamic profile.

A new sweeping front panel incorporates triple opening windows and a new panoramic sunroof design. Stylish carbon fibre effect wide gas locker door, chrome effect grab handles, convenient one key exterior locks and exclusive bright LED road lighting are just some of the finishing exterior touches.

Boosted with Alde heating as standard, long lasting good looks are ensured thanks to SMART construction, and with an expanded range of eight layouts, including three twin axle variants, the Eccles may just be the tourer for you.

Models shown in brochure fitted with Lux pack

The new panoramic sunroof, with recessed lights and speakers, allows plenty of natural light into the modern interior where new 'Saturn' soft furnishings with warm gold, black and shimmering tones accentuate the new 'Zebrano' honey toned woodgrain used in the overhead lockers.

New front corner opening lockers provide extra storage and adding to the quality feel are pleated cassette blinds to the windows.

A redesign of the front chest and binnacle area now features a soft close drawer with a handy concealed drawer inside.

Dining, sleeping or relaxing, the versatile furniture can be arranged to suit you. Swift's exclusive AirWave cushioning will keep you comfortable and well supported, and fixed beds come with an ultra-comfortable Duvalay Duvalite mattress, again exclusive as standard equipment to Swift.

SWIFT

You're well catered for in the kitchen with plenty of clever, flexible storage, a granite effect sink and Dometic fridge with removable freezer compartment. Washrooms feature a swivel spout vanity tap and separate shower cubicle.

Boosting specification levels further is the enhanced Swift Command control system with new larger 7", easier to use, LCD colour touchscreen control panel with improved functionality and app interface, featuring new integrated DAB and FM radio tuning and sound setting control. The option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker provides added protection.

Adding more choice is the 'Lux' pack which includes a stylish illuminated kitchen splashback, external BBQ point, external 230V socket, external service door and key fob operated alarm system.

SPECIFICATION NOTES

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Way back in 1994 Swift chose Alde heating systems to help make their caravans feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable caravan heating for the great explorers of the world, and keep on innovating to this day. Swift caravans are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
