## Reasons to buy a Swift Caravan

Whether you are seeking exhilarating adventure  
or peace and tranquility, our aim at Swift is to  
make your holiday as comfortable  
and enjoyable as possible

**Find out what sets Swift apart**

1

## Reliable Build Quality

Exclusive to Swift, SMART Construction is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

**No wonder we've given  
it a 10-year manufacturer  
bodyshell warranty**

SUBJECT TO T&C'S

2

## Protecting good looks

GRP outer skin, hail resistant roof and GRP front and rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS.

Inside, cushioning tested to extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home from home looking its best.

**Swift caravans are built to last**

# PURE GRANDEUR

The new Elegance Grande extends the appeal of the exquisitely refined Elegance range to 8ft wide, offering grand, luxurious interior living space.

Built using SMART 3 construction – the third generation of totally timberless SMART caravan construction, it features a new revolutionary floor construction and a lifetime water ingress warranty (Subject to T&C's\*).

A sweeping, aerodynamic front panel, incorporates triple flush fitting opening windows and a panoramic sunroof. Stylish graphics, premium jockey wheel, bright LED road lighting and rear view camera are just some of the finishing exterior touches.

There are three models to choose from including the all-new 6-berth, 655 layout with a clever pull down bed over the mid dining area and the 635 which makes the most of the additional space by offering a larger washroom with more storage, an additional wardrobe and vanity unit in bedroom.

The luxurious interior is immaculately designed and cleverly detailed. The extra space allows for a wider central window and front chest which features a soft close drawer with concealed drawer inside. The Accuride bed make-up system makes it easy to convert the front seats into a huge double bed.

'Darwin' soft furnishings give a fresh look with contrasting woven and soft velvety textures. There is also a sumptuous leather option.

The domestic style kitchen is fitted with an innovative scratch resistant FENIX NTM® worktop, soft close drawers and doors, illuminated kitchen splashback and Dometic appliances including a high performance oven, and a spacious tall fridge in all models.

Fixed beds are topped with the ultra-comfortable Duvalay Duvalite mattress, exclusive as standard equipment to Swift.

## SPECIFICATION NOTES

**MASSSES:** The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

**WARNING:** Under no circumstances should the MTPLM be exceeded.

**BED SIZES:** Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

**AWNING SIZES:** Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

\* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

\* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

**LED ROAD LIGHTS:** Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

## VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Way back in 1994 Swift chose Alde heating systems to help make their caravans feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable caravan heating for the great explorers of the world, and keep on innovating to this day. Swift caravans are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

### Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your caravan. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
