PURE ADVENTURE

The Swift Select van conversion range offers a greater level of customisation, you have the power to choose from two expertly designed, tailor-made packs and a selection of individual options, that includes a metallic Iron Grey exterior with stylish complementary graphics.

This allows you to upgrade the base model to create the specification that's right for you, be it related to the driving of the motorhome or the living luxury.

Whether you need a vehicle for everyday use, sport, relaxing holidays or business, the Swift Select van conversion range is incredibly versatile for wherever your adventure may take you.

SWIFT

SWIFT

The flexible Select range starts with a well-equipped base vehicle including a 2.0 litre Euro 6 115bhp engine and 6 speed gearbox, to which a range of options can be added.

All the essentials are included. The Fiat cab comes with electric windows, driver and passenger seats which swivel, factory fitted integrated radio/MP3 player and key fob central locking. In the living area there is practical floor vinyl, comfortable seating in 'Eider' fabric, table, 2 or 3 burner hob, sink, fully fitted washroom, and blown air heating with a 4kW dual fuel Truma combi boiler.

The Swift Command system is now even easier to use with a larger touchscreen and improved 'app' interface and comes with the option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker for added protection and peace of mind.

SWIFT

Whether you want an enhanced driving experience or superior levels of luxury, the choice is yours. There are two upgrade packs; the Drivers pack and the Lux pack, these are full of stylish and practical enhancements, allowing you to create a truly customised experience.

In addition you can select individual options to upgrade the engine to the Fiat Euro 6 130bhp, 2.3 litre engine with or without the Comfort-Matic automatic gearbox, add an awning and upgrade the soft furnishings.

TECHNICAL NOTES

- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

VALUE ADDED PARTNERS

duvalayTM
BEDTIME LUXURY

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all motorhome ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

freshtec
COOL SLEEP CONCEPT

Truma provide one of the industry's leading heating systems which features as standard on Select models. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of our products to prove they meet the Grade 3 standard for heating and insulation.

Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your motorhome. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

Oyster[®]
Sat-Tech Ltd.
A ten Haaf Company

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
