Reasons to buy a Swift Caravan

Whether you are seeking exhilarating adventure or peace and tranquility, our aim at Swift is to make your holiday as comfortable and enjoyable as possible

[Find out what sets Swift apart](#)

1

Reliable Build Quality

Exclusive to Swift, SMART Construction is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

**No wonder we've given
it a 10-year manufacturer
bodyshell warranty**

2

Protecting good looks

GRP outer skin, hail resistant roof and GRP front and rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS. Inside, cushioning tested to extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home from home looking its best.

Swift caravans are built to last

PURE SATISFACTION

Sprite is the UK's best-selling, multi-award winning caravan range. Completely redesigned last season it has a more up-market feel, yet still honours its heritage and continues to revolutionise entry-level caravanning.

Built with industry leading SMART construction, the Sprite is more durable making it an even better investment, and with ten layouts including four twin axle models, it's easy to match a caravan to your budget.

Attractive pricing combined with great features and a wide range of options, make Sprite even more desirable.

Models shown in brochure fitted with Diamond pack and panoramic sunroof

SWIFT

SWIFT

SWIFT

Staying ahead of its rivals and perfected over generations, the affordable, stylish and lightweight Sprite range once again takes the crown as the UK's best selling caravan range.

With three opening front windows, stylish 'Tyrion' soft furnishings, low energy LED lighting throughout, fast heat up Truma Combi-boiler and well equipped kitchen and washroom; you may be surprised you've walked into a Sprite and this is the secret to its success.

There is a wide range of options including a panoramic sunroof and Diamond Pack, which are so competitively priced, they are always selected.

This season's refinements include a redesign of the front chest and binnacle area which now features a soft close drawer with concealed drawer inside. Practical changes include better access to sockets in the kitchen and new modern slate grey worktops.

Boosting specification levels further is the enhanced Swift Command control system. This now comes with a new larger 7", easier to use, LCD colour touchscreen control panel with improved functionality and app interface. It now features integrated DAB and FM radio tuning and sound setting control as part of the Diamond Pack.

The option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker provides added protection.

SPECIFICATION NOTES

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

[#] The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Truma provide one of the industry's leading heating systems which features as standard on Sprite models. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of our products to prove they meet the Grade 3 standard for heating and insulation.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.

Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your caravan. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.
