Bailey have been making leisure vehicles for over 70 years, so we know how to get the most out of each and every vehicle we lovingly build.

We understand that getting away in your motorhome brings you freedom like no other, and provides long lasting memories to cherish with the ones you love. So whether you'll spend a month travelling, a night in a city or a week away, you'll always be able to have your holiday your way, in a Bailey Motorhome.

YOUR HOLIDAY *your way*

WHAT MAKES A
BAILEY *so unique?*

DOUBLE GLAZED OPENING SKY VIEW...
over cab window floods the cab with natural light as well being a source of extra ventilation (model specific).

ALU-TECH BODYSHELL CONSTRUCTION...

improves resistance to the elements and increases durability and longevity of the vehicle.

PEUGEOT BOXER CAB

The fully specified **Peugeot Boxer cab** has air-con, cruise control, driver and front passenger airbags and concertina windscreen blinds included as standard, providing enhanced comfort and practicality.

THE PEUGEOT EURO 6 130BHP/160BHP BOXER ENGINE...

with 6-speed manual gear box provides superior performance with lower vehicle emissions.

BRITISH AND EUROPEAN HEALTH AND SAFETY STANDARDS

All our motorhomes comply with current **British and European Health and Safety standards** to provide you with the peace of mind knowing everything is legal and safe.

CRASH TEST

We were the first leisure vehicle company to **crash test** our vehicles during development. As a result our models feature reinforced floors and strengthened furniture to enhance passenger protection and safety.

PREMIUM LEISURE BATTERY

Fitted with a **premium leisure battery** as standard for enhanced electrical performance, in a dedicated floor mounted housing.

LARGE CAPACITY FRESH WATER TANKS (93.5L+) AND WASTE WATER TANKS (93.5L+)...

give you the freedom to travel for extended periods off-grid.

GRP CLOAKED OUTER SKIN...

provides greater impact resistance and superior thermal performance.

THERMAL INSULATION

Our motorhomes achieve the highest classification of **thermal insulation** (grade III) in cold chamber testing, making them genuine four-season vehicles.

HEATING AND WATER SYSTEMS

Market leading Truma (range specific) or Alde (range specific) **heating and water systems** combined with market leading Alu-Tech insulation to keep you comfortable and warm whatever the weather.

LOW-PROFILE OR ULTRA-LOW PROFILE AL-KO AMC CHASSIS...

creates a lower centre of gravity for a better drive, and easier access in to the living area.

A MOTORHOME FOR
everyone

Our handy comparison table helps you choose the right model, so that you can enjoy your holiday, your way!

YOUR
ADVANCE
your everyday...

The Advance is a range of lightweight, spacious, and well-equipped, yet affordable vehicles perfect for people looking to commit to their first new motorhome purchase. Featuring a model under six metres long, the Advance is small enough to manoeuvre through country lanes and city roads alike, while large enough for you to take everything you need.

With the Advance range offering nine different layouts with travel seats and berths for two to six people, you'll be spoiled for choice when it comes to picking the perfect motorhome for you.

All models are built using a well-specified Peugeot cab and are built on a 3500kg chassis to make them suitable for anybody holding a full UK driving licence.

With comfort and convenience aplenty, you'll wonder how you travelled any other way. With clever design touches and modern interiors, the Advance takes style to the next level.

^Mirrors folded. *Inc marker lights. **Based on using Calor Propane gas bottles. ***Drop down double bed has a maximum load capacity of 200kg. †Measured from the widest point.

Vehicle weights: the MRO figure is the weight of the unladen motorhome plus an allowance for the driver, 90% of the fuel tank capacity and 'essential habitation equipment'. The MRO is calculated with the fresh water tank empty. It is not recommended that you travel with water in the fresh water tank but if you chose to do so then your available payload will reduce accordingly. Please refer to www.baileyofbristol.co.uk for more information.

Silver Edition

your freedom...

Available in a range of seven layouts, with two to six travel seats, this limited edition range comes packed with extras such as wind-out awning, Truma 100 watt solar panel, gas barbecue point and exterior 230v socket to make every adventure a pleasure.

The journey is just as enjoyable with a fully specified cab that features a pair of fully adjustable swivel captain's seats, a Peugeot Sat Nav system and air conditioning. Built on a 3500kg chassis, these stylish motorhomes can be driven by anyone holding a full UK driving license. The Peugeot 2.0 Blue Hdi 160bhp engine and Dometic reversing camera mean the road ahead and behind has never been easier to navigate. The motorhome's exterior lives up to its name too, with a striking 'Silver' coloured cab, along with 'Graphite' alloy wheels which ensure you stand out at the lakeside, seaside or in the countryside.

- 'Natural Slate' finish kitchen and worktop laminate with matching kitchen splashback
- Drop-down kitchen worktop extension (model specific)
- Domestic standard kitchen units featuring durable worktop surfaces and drawers with positive catches
- Satin finish kitchen drawer fascias
- Fixed beds with gas strut assisted opening mechanism (model specific)
- Automatically operated ceiling mounted drop down double bed with sprung base (model specific)
- Foam filled bed mattresses (model specific)
- Foam filled double bed mattress on a sprung base (model specific)
- Foam filled upholstery with quality fabrics and high density filling
- **NEW** 'Finchley' soft furnishings with four scatter cushions and co-ordinating curtains
- Textured finish durable floor vinyl
- 'Pebble Shore' split section loose fit drop in carpets

ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 80 ampere/hour premium leisure battery
- Dedicated under floor leisure battery storage locker
- Electrical control panel with phone shelf
- 12v ambient and task lighting fittings throughout

KITCHEN EQUIPMENT

- Dometic 95 litre refrigerator with detachable freezer compartment
- Thetford Triplex combination oven and grill with a 3 gas burner hob
- Glass heat shield (model specific)
- Branded 800 watt microwave oven
- Stainless steel square kitchen sink with swan neck mixer tap, washing up bowl, drainer and chopping board
- Ambient over locker lighting
- 12v shower cubicle lighting
- 230v power supply with up to four interior sockets
- USB sockets
- TV station with 230v/12v/aerial socket
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCD protection for mains electric system
- 25 metre mains connecting lead
- Status TV aerial
- **NEW** Dometic reversing camera linked to Peugeot head unit
- Pre-wired for satellite and aerial connection (retailer fit)

WATER AND HEATING SYSTEMS

- Truma combi 4E heating system with combined water and room heating
- User-friendly digital control panel with adjustable fan and water boost functions
- Dual fuel 4kw gas and 1.8kw electric power sources
- Whale Hi-Flo on-board water pump
- Pressurised hot and cold fresh water system
- Rigid pipe waste plumbing system
- 95 litre on-board fresh water tank with baffles and level sensor
- 93.5 litre external waste water tank with baffles and level sensor
- Thetford C-260 cassette toilet with integrated header tank
- Shower with ceramic ball mixer tap and Ecocamel shower head
- 'Granite Stone' finish fully lined shower cubicle with concertina partition door (model specific)
- 'Granite Stone' finish fully lined shower wet room with partition curtain (model specific)
- Washroom hand basin with ceramic ball mixer tap

SAFETY AND SECURITY

- AL-KO outriggers fitted to AMC chassis for enhanced floor strength
- 3-point seat belts on all designated travelling seats (model specific)
- Steel frame seat base supports for all travelling seats (model specific)
- Steel framed seat base tops with velcro base cushion fastenings for all designated travelling seats (model specific)
- Steel framed structural bulkhead to support rear-facing designated travelling seats (model specific)
- **NEW** wind down floor mounted spare wheel carrier and spare wheel (steel spare wheel)
- Smoke alarm and carbon monoxide alarm

OPTIONAL EXTRAS

- Bespoke motorhome bedding sets to co-ordinate with soft furnishings (model specific)

*Mirrors folded. †Inc marker lights. **Based on using Calor Propane gas bottles. ***Drop down double bed has a maximum load capacity of 200kg. †Measured from the widest point.

Vehicle weights: the MRO figure is the weight of the unladen motorhome plus an allowance for the driver, 90% of the fuel tank capacity and 'essential habitation equipment'. The MRO is calculated with the fresh water tank empty. It is not recommended that you travel with water in the fresh water tank but if you chose to do so then your available payload will reduce accordingly. Please refer to www.baileyofbristol.co.uk for more information.

YOUR

Autograph

your inspiration...

Let our flagship Autograph range be the inspiration behind some of the most enjoyable and memorable journeys you'll ever take.

The third generation Bailey Autograph is available in a choice of eight popular layouts. With a range of two to six travel seats and sleeping space for two to six people, there's a model to suit every need. Not to mention the exquisite interior styling, elegant curves, polished chrome fittings and luxurious soft furnishing schemes - the new Autograph certainly has that unmistakeable touch of class.

Designed to be driven, all models are powered by the latest Peugeot Boxer 2.0 Blue Hdi, 160 bhp engine with a six-speed manual gearbox. Inside driver and passenger comfort is catered for with air conditioning, engine cruise control and a Peugeot Sat Nav system all included as standard. With so many luxurious adventures ahead of you, your Autograph is as inspiring as the places it takes you.

VEHICLE CONSTRUCTION

PEUGEOT BOXER CAB

- Peugeot fully compliant Euro 6 Boxer Cab supplied with a 3-year/100,000 mile warranty and 36 months Peugeot European assist cover
- Peugeot 2.0 Blue Hdi (High Pressure Direct Injection) 160bhp engine with 6-speed manual gear box
- **NEW** 'Graphite' cab with colour coded bumpers and door handles
- **NEW** diamond cut style 'Graphite' 16" alloy wheels with premium brand tyres and tyre pressure sensors (model specific)
- 'Silver' 16" alloy wheels with premium brand tyres and tyre pressure sensors (model specific)
- Remote central locking for cab and habitation door
- Battery isolator
- **NEW** LED daytime running lights
- Electric cab windows and heated wing mirrors with direction indicators

EXTERIOR FEATURES

- **NEW** aero-dynamic over cab profile
- **NEW** 'Slate Grey' GRP skinned side walls
- 'Glacier White' GRP skinned roof panel and rear wall
- **NEW** rear bumper and light pillars with LED road lights
- **NEW** rear sequential indicators
- **NEW** Thule Omnistor wind-out awning
- Dometic slim line flush fit habitation door with window, blind and bin plus a gas-strut assisted mechanism for smooth operation
- Dometic pleated full length door flyscreen
- **NEW** door step with non-slip mat and grab handle
- Aerodynamically profiled double glazed Polyplastic opening windows
- Double glazed opening sky view over cab window with blind and **NEW** internal surround (model specific)
- Mini Heki roof light located over kitchen
- Midi Heki roof light located over front lounge, rear lounge or bedroom (model specific)
- Pleated flyscreens and night blinds to all principal windows
- Splash proof retractable roller blinds for kitchen window
- Centrally mounted exterior gas locker compartment with flush fit double seal exterior locker door featuring heavy duty handles, compression locks and retaining clip

- Variable power steering
- Electronic Stability Program (ESP)
- Anti-lock braking system (ABS)
- Engine immobiliser
- Cab air conditioning and cruise control
- Driver and front passenger airbags
- **NEW** fully adjustable upholstered driver and passenger Captain's seats with twin upholstered armrests and integrated headrests
- Peugeot Sat Nav system
- Concertina windscreen and side window blinds
- DAB Radio with Bluetooth connectivity and 2 door speakers
- Two 12v sockets and USB connection point in storage locker
- Twin cup holders
- **NEW** high level storage pockets
- **NEW** twin flexible reading lights with integral USB sockets

- Propane/Butane en-route gas 30mb regulator mounted in gas locker compartment
- Underbed storage area with flush fit double seal exterior access door with compression locks and retaining clip (model specific)
- Through-boot easy access large exterior storage locker on all end-lounge and end-bedroom models
- **NEW** Hartal access doors to all exterior lockers
- Exterior 230v power inlet
- Exterior gas BBQ point
- Vision Plus satellite connection provision and 230v socket
- Fixing points for rear mounted cycle rack
- **NEW** co-ordinating graphics scheme

INTERIOR FEATURES

FURNITURE AND SOFT FURNISHINGS

- **NEW** single raised floor for either front or rear lounges
- Bailey 'Mendip Ash' furniture finish
- Slide out bed boxes for easy bed make up (model specific)
- Drop in tables for easy bed make up (model specific)
- Sprung beech bed box tops for additional comfort
- Drop down flaps on front bed box fascias (model specific)
- Deep-fill bed boxes
- **NEW** 'Slate Grey' marble finish freestanding table with dedicated storage (model specific)

- **NEW** 'Slate Grey' marble finish wall mounted table with dedicated storage (model specific)
- **NEW** 'Slate Grey' marble finish free standing and wall mounted table with dedicated storage (model specific)
- **NEW** dual finish 'Cashmere' gloss Italian design overhead curved locker doors with 'Grey' textured contrasting stripe
- Aircraft style overhead locker system with split level storage, domestic style metal hinges and 'hidden catch' locker doors
- Structural locker dividers with greater load bearing capacity
- Premium quality fixtures and fittings in chrome finish
- **NEW** 'Slate Grey' marble finish kitchen and washroom worktop laminate
- **NEW** drop down hob cover worktop in matching 'Slate Grey' marble finish
- Drop down kitchen worktop extension (model specific)
- **NEW** branded Perspex kitchen splashback with chrome detailing
- Kitchen glass splashguard (model specific)
- Domestic standard kitchen units featuring durable worktop surfaces and heavy duty drawers with positive catches
- **NEW** 'Cashmere' satin finish kitchen drawer fascias with soft-close drawers and handles
- Satin finish locker doors and vanity units in washroom
- Fixed double beds with gas strut assisted opening mechanism (model specific)
- Fixed single beds with gas strut assisted opening mechanism (model specific)
- Ceiling mounted mechanically operated Alu-Line transverse drop down double bed with sprung base (model specific)
- 'Honeycore' foam fixed bed mattress construction and stylish fabric covering (model specific)
- **NEW** domestic style sofa seating featuring premium quality fabrics and sprung seat bases for enhanced comfort
- **NEW** curved corner back rests with removable head rests (model specific)
- **NEW** full wall headboard (model specific)
- **NEW** upholstered bulkhead in front lounges (model specific)
- **NEW** pouches with integrated speakers and USB sockets in rear lounges
- **NEW** standard 'Farringdon' soft furnishings with fully lined co-ordinating curtains and four large square scatter cushions
- **NEW** optional 'Portobello' soft furnishings with fully lined co-ordinating curtains and four large square scatter cushions
- Textured finish durable floor vinyl
- **NEW** 'Cadet Grey' split section loose fit drop in carpets

SERVICES

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's been going for over 70 years!

We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love, so you can holiday your way whenever you choose.

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in South Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure.

We are still run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan and motorhome production and design, we're inspiring a whole new generation of people to enjoy their holiday, their way!

Nick Howard.
Managing Director.

ALU-TECH MEANS YOU CAN

One of the most important developments in the recent history of leisure vehicle design happened ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic leisure vehicle design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked “is there a better way?”

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components

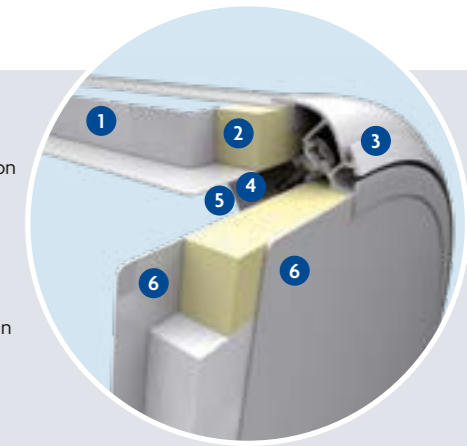

in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the motorhomes genuine four-season vehicles.

And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.

To date, 60,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

How is Alu-Tech better?

- 1. Increased strength and durability...**
giving you greater protection against the elements to keep you comfortable, safe and secure all year round.
- 2. Improved insulation...**
keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.
- 3. Improved protection...**
greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.
- 4. Lighter bodyshell...**
making Bailey motorhomes accessible to a wider range of drivers and making it more economic to own.
- 5. Better balanced bodyshell...**
makes the motorhome inherently more stable enabling it to take even the most demanding journeys in its stride.
- 6. Cost neutral improvements...**
all of the benefits of Alu-Tech come at no extra cost to the customer.

TESTED TO THE LIMIT

On the dusty roads of Europe and Asia, the dirt roads of Australia and the snow and ice of the Arctic...

Our motorhomes are proven to *perform* whatever the weather.

Last year, we took two caravans and a motorhome and drove through 21 countries in 21 days covering some 5,000 miles.

#bristanbul

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process. This allows us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a motorhome is likely to encounter in its lifetime.

In 2017, we took two caravans and a motorhome on a 5,000-mile round trip to Northern Finland inside the Arctic Circle.

Simulated track testing is one thing but we believe that nothing actually beats putting your products through their paces yourself in challenging real-life situations. Which is why in 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them and proved they could hold their own in even the toughest conditions.

Buoyed by this success, in 2017, we embarked on another marathon endurance test, this time with two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. The circumstances there could not have been more different from those in the Red Centre of Australia, but

once again they took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

With two triumphant expeditions under our belt, last year we decided to set a third monumental durability test. Wanting to truly test our vehicles durability, we travelled relentlessly across two continents, achieving a total of 21 countries within 21 days without respite. The vehicles proved more than capable for our epic Intercontinental caravan and motorhome adventure. You can see much more at #bristanbul.

To see the UK's toughest motorhomes in action on these exciting expeditions, why not visit our website at www.baileyofofbristol.co.uk

MANUFACTURING IN BRISTOL

We're leading the way

Our advanced chassis assembly area.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community. The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Our on-site replenishment centre.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing

14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our PRIMA Leisure (Bailey parts) operation to North Bristol and our Large Panel Laminating Plant (where we produce the caravan sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Large Panel Laminating Plant has moved to North Somerset.

Our PRIMA Leisure operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE
confident...

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for many more years to come.

The home of Bailey Parts

Be *prepared* for every journey.

Once you're the proud owner of a Bailey caravan or motorhome, you'll want to add some finishing touches like an awning, bedding set or barbecue. Find everything you need at PRIMA Leisure.

Our online shop is an open door to our aftersales service, allowing you to easily find exactly what you need. Search for specific parts by vehicle make and model and browse our expanded category range on our bespoke website. You can buy online 24/7, get your items delivered or opt for click and collect at our Bristol store.

Everything you need for your caravan or motorhome is just a click away...

HOW TO BUY A BAILEY...

Closer than you think.

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our motorhomes. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey motorhomes*, in which you can spend time in order to decide what model best suits your needs.

The Bailey warranty

When you're buying a new Bailey, your motorhome will come with all the reassurance of our manufacturer's warranty. Your motorhome's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years**. Whether you're new to motorhomes or you're a seasoned traveller, that gives you some excellent peace of mind when you're out on the open road.

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.

JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravan/motorhome lovers!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.primaleisure.com. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your motorhome.
