Sprite is back for 2022 with the playful accents, tasteful styling and quality fixtures that keep it a family favourite year-on-year. This season brings developments from the upgraded Dometic Series 10 fridge to a simplified control system and dedicated radio, as well as the new two-berth Sprite Compact model, ideal for those new to touring or seeking a lighter vehicle.

Because caravan floors have to withstand significant forces during travel, we carry out routine testing before assembly, ensuring the required tensile strength.

Love Conqueror **New**

7'6" WIDE

Conqueror, Swift's legendary touring caravan range, is reborn for 2022 with an exquisite new image and high-grade specification. From the sleek, contemporary profile to the business jet-inspired living area with cream high-gloss lockers and atmospheric lighting, the range's premium identity announces itself at every turn across all four models.

## Our Valued Added Partners

Constantly innovating for the best nights' sleep possible, Duvalay™'s bespoke mattresses and bedding are trusted by our customers. We fit Duvalay™'s Duvalite™ mattress as standard on all fixed beds across our caravans and motorhomes, while our holiday homes and lodges feature the exclusive Duvalay™ Holiday Home Collection mattress.

**Diamondbrite**  
LEISURE

Swift partners with Diamondbrite Leisure - leaders in paint and upholstery protection - to help maintain your caravan or motorhome. Professionally applied at your dealership with a lifetime guarantee, it includes an exterior nano-ceramic high-gloss coating for easier cleaning and an upholstery elixir which resists staining.

Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable heating systems for the world's explorers. We have worked with Alde since 1994 to help make our leisure vehicles feel more like home, testing our caravans and motorhomes down to minus 15°C to ensure you stay cosy no matter where the road takes you.

One of the industry's leading heating systems, Truma's combi heaters are perfect for caravans and motorhomes with their lightweight, compact structure and quiet operation, as well as efficient boost function. We fit Truma products so our customers can enjoy cold chamber-tested, Grade 3 standard heating and insulation.

The world's leading battery manufacturer, Yuasa is a long-time supplier of leisure vehicle batteries to Swift thanks to its products' high quality, long life and superior performance, powering the demands of modern lifestyles.
