Your Home Anywhere

Welcome to Swift

UK's No.1 brand for

leisure vehicles

We are the UK's largest manufacturer of touring caravans, motorhomes and holiday homes. We've grown from simple foundations back in 1964, when our founder Ken Smith built his first touring caravan, to become the UK's number one leisure vehicle brand.

Our philosophy is to build leisure vehicles that are at the heart of your holiday, whether that be nestled in the countryside or by the sea, searching out active pursuits or simply enjoying a quieter pace of life. With a lifetime of memories waiting to be made, it's time to find your ultimate caravan!

Introducing The Swift Difference

There's no better feeling than stepping into your caravan for a relaxing getaway. We've dedicated countless hours of research and development to ensure that every detail of your caravan is built to last and luxuriously comfortable, so you can get on with the important things in life – creating memories and enjoying unforgettable holidays.

Only when you choose Swift can you enjoy this exclusive package of benefits, as part of our Swift Difference.

SMART construction

The UK's leading modern construction system with 'PURE' timberless framing that's impervious to water.

Supreme comfort

Enjoy an exceptional night's sleep with a Duvalay mattress fitted to all fixed beds and exclusive to Swift.

Expert training

Launched in 2015, The Swift Academy provides our employees with the opportunity to develop their skills at every stage of their career, encouraging our employees to reach their full potential. We have invested in the Swift Academy because we believe in our people and want to demonstrate our commitment to their development.

Efficient living

Swift caravans are engineered with efficiency at its core - from low energy LED lighting to an aerodynamic exterior for better fuel consumption and safer towing.

All year freedom

Swift caravans are tested to the extreme in a cold chamber to ensure they can keep you warm and comfortable whatever the weather.

Extensive Choice

With over thirty models across our three caravan ranges, there is a huge choice to suit most budgets and tastes at weights suitable for a variety of tow cars - all supported by the UK's largest dealer network. Many ranges have a selection of value-added extras to help you customise your caravan.

Long term warranties

Extra reassurance with multiple warranties including an industry leading 10 year bodyshell warranty.*

My Swift Life

My Swift Life provides owners with a unique personal profile, where you can access information that's specific to your caravan or motorhome, including; outstanding warranty claims, service information and a direct line into our Swift customer experience team.

Pioneers

Innovation is our passion. We continually push the boundaries and utilise state-of-the-art design and construction techniques to ensure our products look sensational, work intuitively and function efficiently. Swift Command*, a product of innovative thinking, monitors and controls onboard systems via a user-friendly panel and smartphone app.

Celebrating a decade of excellence with Smart Construction

As the trailblazer in the leisure vehicle industry, we have consistently raised the bar with our unwavering commitment to research and innovation.

This season, we are thrilled to commemorate a significant milestone - a decade of SMART Construction!

Providing you with peace of mind, SMART is an ingenious blend of materials and construction techniques that guarantee enhanced structural integrity, improved insulation and all-important weather resistance - ensuring your investment will stand the tests of touring and help retain your caravan's residual value.

Strong

The strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

Modern

SMART uses modern materials produced using cutting-edge technology and has been developed to ensure the exterior profiles maintain the modern desirable looks our caravans are renowned for.

Aerodynamic

We continue to lead the way in aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing.

Resilient

Our GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

Tested

Extensive safety and durability testing at the Millbrook track, and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime.

PURe Polyurethane framework

The strong timberless body frame uses 'PURE', a tough, hard polyurethane based product that is totally impervious to water, ensuring the longevity of your caravan.

Polystyrene core

For ensured accuracy, lightweight polystyrene is cut to shape using the latest water jet technology. With 22mm polystyrene used in the side walls, and 28mm used in the roof, all Swift caravans meet the Grade 3 thermal properties needed for year-round adventures.

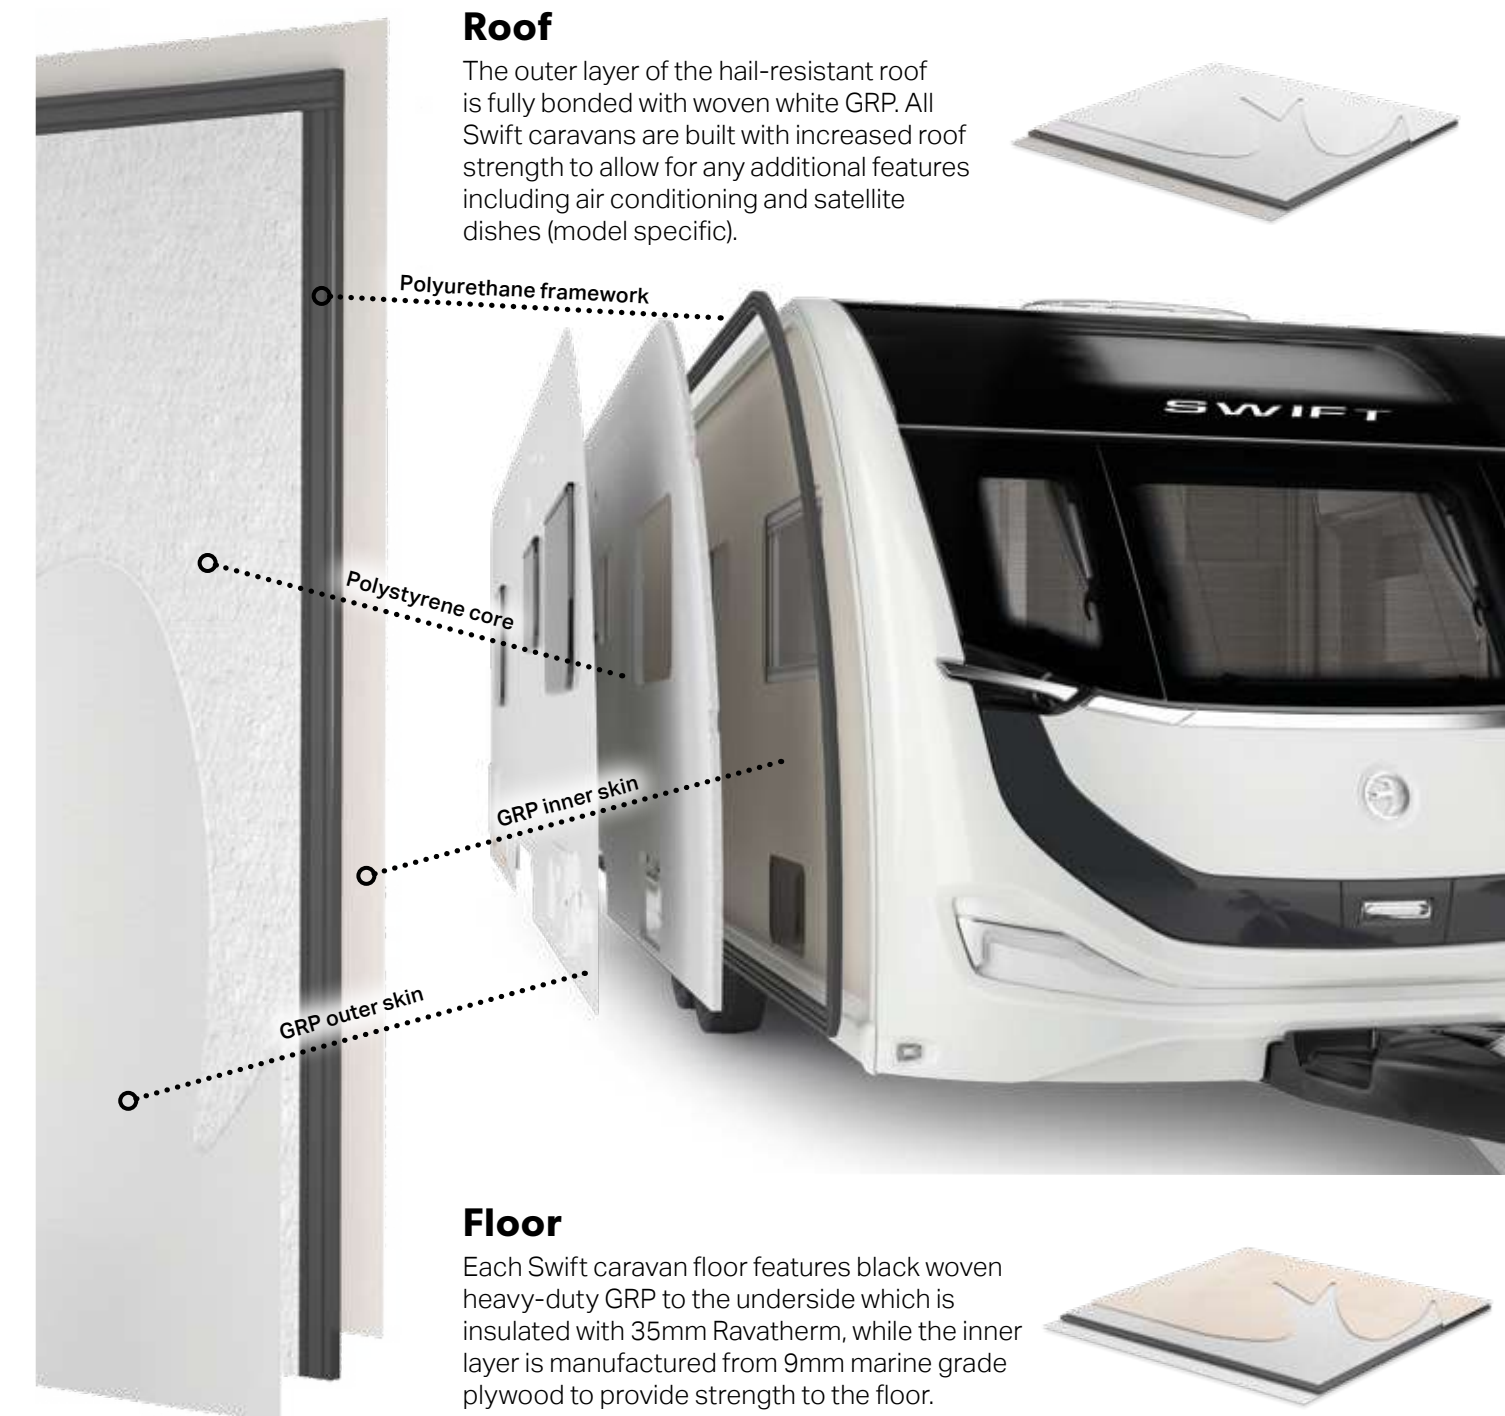

GRP

Manufactured on-site at Swift, our GRP (Glass Reinforced Plastic) is a robust and resilient material. The outer and inner GRP skins are the same thickness, creating a balanced panel, to allow the caravan to expand and contract in different climatic conditions. Plus, GRP's impact and scratch-resistant qualities ensure long-lasting good looks that in turn help to hold the residual value of your caravan.

Unlike other manufacturers, our GRP inner skin does not use any jointing tape - all Swift caravans have a jointless sealing in the walls, and are embellished with wallpaper finishes.

Roof

The outer layer of the hail-resistant roof is fully bonded with woven white GRP. All Swift caravans are built with increased roof strength to allow for any additional features including air conditioning and satellite dishes (model specific).

Floor

Each Swift caravan floor features black woven heavy-duty GRP to the underside which is insulated with 35mm Ravatherm, while the inner layer is manufactured from 9mm marine grade plywood to provide strength to the floor.

Extensive choice

Choose your Swift

Sprite Range

Sprite Compact

Ideal for those new to touring or seeking a lighter vehicle, this two berth model has a slender width of two metres and an MTPLM of just 1094kg.

Pages 10 - 19

Sprite

Focusing on value for money and diversity, Sprite has a layout for every family. Packed with all the essentials to maintain its perennial popularity, it's ready for endless fun and relaxing getaways.

Pages 20 - 29

Sprite Grande

Enjoying all the features of Sprite, but with even more room to relax and unwind. The extra space in the 8ft-wide range allows for a wider opening central window, an airy dining area and larger sleeping spaces.

Pages 30 - 39

Challenger SE Range

Challenger SE

Packed with desirable features including an on-trend interior, Alde central heating and ATC braking, Challenger SE is a stylish, high-specification choice.

Pages 40 - 49

Challenger Grande SE

Delivering all the Challenger SE features, the 8-ft wide Challenger Grande SE range brings extra valuable space, making it an ideal family caravan.

Pages 50 - 59

Elegance Grande Range

Single Axle

Choose Elegance Grande for the ultimate in luxurious travel and enjoy premium features including the Ultraleather® soft furnishing scheme, Alde Flow for continuous hot water, and underfloor heating.

Pages 60 - 69

Twin Axle

The Elegance Grande twin axle offers extra towing stability and allows for extra weight to be carried - perfect for those who like to take more on the road.

Introducing Sprite Compact

Proving that the best things come in small packages, the Sprite Compact has a slender width of two metres and an MTPLM of just 1094kg. This two-berth model is ideal for those new to touring or seeking a lighter vehicle.

1 layout to choose from

-  1 single axle layout
-  2 berths
-  MTPLM of 1094kg

Sprite Compact

Highlights

Comfy living

Bluemoon soft furnishing scheme with complementary carpet colour.

LED lighting

Low energy LED lighting throughout.

Additional charging points

Under locker twin USB points (model specific).

Storage solutions

Plentiful storage with overhead lockers and wardrobes fitted with positive locker catches.

Equipped kitchen

Fully equipped kitchen with Dometic (Series 10) 83 litre under counter fridge with electronic ignition, flatbed microwave, thermostatic oven and grill, and three-burner gas hob.

TV point

TV point with 230V, 12V and aerial sockets.

Easy access storage & bed make-up system

Beech slat seat and bed bases for extra comfort and sprung hinged tops for easy access, which also offer plentiful storage.

Control panel

User-friendly 12V control panel with battery selection, battery state, lighting control and water pump circuit control.

Truma heating control panel

Truma dual fuel heating for year-round comfort.

Sprite Compact

Highlights

Washroom

Fully fitted washroom, including an Ecocamel Jetstorm showerhead for a powerful shower that uses less water.

Water supply

High flow rate onboard pump with chrome effect taps for reliable, high performance water supply.

Toilet

Thetford toilet with electric flush and 18 litre wheeled waste tank.

Rooflight

Micro-Heki rooflight in washroom.

Flyscreens

Door flyscreen with easy concertina action as well as blinds and flyscreens on all windows.

Full features

Exterior & Construction

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- AL-KO galvanised steel chassis with Euro-axle
- Overall body width 2.03m/6'8"
- EN1645 Grade 3 classification for heating and thermal insulation confirmed by cold chamber testing
- SMART construction with GRP body panels:
 - Strong, moisture proof 'PURE' polyurethane timber-less framed bodyshell with polystyrene insulation core and GRP outer skins (25mm in sidewalls, 32mm in roof)
 - Robust balanced panel side walls with GRP outer and inner skin
 - 44mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Ravatherm core
 - Hail resistant exterior GRP roof, fully bonded for extra strength and flatness
 - Sweeping front panel in GRP with triple flush fitting opening windows and exclusive LED front marker lights
 - Full height GRP rear panel
 - Streamlined aerodynamic profile
- Striking exterior graphics scheme
- Chrome exterior grab handles
- Exclusive LED rear light clusters, LED high level marker and brake light which provide better visibility in poor weather
- LED awning light
- Surface mounted impact resistant skirt system
- Edge alloy wheels
- Steel spare wheel
- High tyre rating - a load margin is included in the tyre specification
- 13-pin Jaeger 12V car connector
- AL-KO overrun device
- AL-KO carabineer breakaway cable
- Step-on hitch cover for easier cleaning of front windows
- Exterior access battery box with mains electric inlet (battery not included)
- Wide access gas locker door with two compression locks
- Bulkhead mounted regulator suitable for use with either propane or butane bottles
- Fully double-glazed opening windows
- Screen printed windows with graphite grey tint
- Semi-recessed body colour awning rail on both sides
- Fixing bars for optional Thule rear mounted cycle rack
- Exterior one-piece door with interior moulded liner, chrome handle and concealed hinges
- Entrance step

Living, Relaxing & Sleeping

- 1.95m (6'5") headroom
- Bluemoon soft furnishing scheme with complementary carpet colour
- Sangallo Elm woodgrain with complementary furniture and white locker doors in kitchen
- Speakers in locker bases
- Grey French Oak effect, high impact, scratch resistant floor lino
- Larger retained embroidered entrance mat
- Curtains to all windows (except washroom)
- Twin curtain track for improved

hanging and ease of use

- Sectioned removable bleachable carpets for flexibility (except washroom)
- Two scatter cushions
- Tri-foam cushioning to seat and backrests for seating and sleeping comfort
- Seat and backrest ventilation boards
- Beech slat seat and bed bases for extra comfort and sprung hinged tops for easy access
- Bed make-up system with slats retained on track
- Midi-Heki rooflight with flyscreen and adjustable concertina blind in lounge
- Mini-Heki rooflights with flyscreen and adjustable concertina blind in kitchen
- Door flyscreen with easy concertina action
- Blinds and flyscreens on all windows

Cooking & Eating

- Thetford thermostatic oven and grill with three-burner gas hob, all with electronic ignition. Hob features a glass lid with auto gas shut-off functionality
- Flatbed microwave oven with digital controls
- Dometic (Series 10) 83 litre under counter fridge with electronic ignition incorporating 12 litre removable freezer compartment
- Modern slate grey worktop and table top colour to complement the interior fabric scheme
- Durable stainless steel kitchen sink
- Chrome effect swivel spout kitchen tap
- Removable extension drainer with dedicated storage
- Washing up bowl

- Wire basket in kitchen cupboard
- Cutlery drawer on smooth-action steel runners
- Chrome finish crockery rack
- Freestanding table

Washing

- Washroom design with vanity unit, sink and shower
- Carlsbad and Crema Bianca marble effect shower wallboard
- Shower curtain
- Ecocamel Jetstorm showerhead with on/off button for a powerful shower that uses less water
- Chrome effect swivel spout vanity tap
- Integrated vanity bowl for easier washing and cupboard space
- Thetford toilet with electric flush and 18 litre wheeled waste tank
- Micro-Heki rooflight in washroom
- Additional coat hooks or towel ring
- 31mm thick washroom door with domestic style lock and handle(s)

Storage

- Useful front chest featuring a soft close drawer with concealed drawer inside and convenient slide-out extending top
- Positive overhead locker catches for secure storage on the move with chrome handles
- Upper front corner opening lockers for extra storage
- Shelves in selected lockers for extra storage
- Seat bases featuring spaceframe construction with full front access and space for larger items

Heating & Utilities

- User-friendly 12V control panel with battery selection, battery state, lighting control and water pump circuit control
- Dual fuel heating with Truma Combi Boiler
- Digital programmable controller for heating and hot water
- Areas under beds and seats, and washroom areas warmed by Truma blown air system
- High flow rate onboard pump with chrome effect taps for reliable, high performance water supply
- Onboard semi-rigid fresh water pipes
- Large bore underslung rigid waste pipes
- Isolation taps for gas appliances
- Fully protected mains electric system
- 25 metre mains hook-up cable
- 25 amp switchmode charger/transformer
- LED lighting throughout interior including:
 - Downlights in lounge
 - Over locker lighting
- A minimum of four 230V sockets throughout and twin USB points for easy charging of portable devices
- Additional USB twin points under locker
- Stylish front binnacle design incorporating dedicated sockets
- Chrome effect sockets and switches
- Branded FM/DAB Radio with USB, Bluetooth connectivity and auxiliary input
- Status 570 directional digital / analogue TV/FM aerial and booster
- TV point with 230V, 12V and aerial sockets

Safety & Security

- Convenient one-key high security locks
- Dead lock facility on entrance door for added security
- VIN CHIP™ identification system concealed within construction to deter theft and aid quick recovery
- CRiS identity number labels to windows and caravan chassis
- AL-KO AKS 3004 stabiliser
- Receiver for optional AL-KO Secure wheel lock
- Smoke alarm
- Carbon monoxide alarm

Customer Service

- 10 year manufacturer backed bodyshell warranty

Options

Factory fit

- AL-KO ATC trailer stability control

Dealer fit

- Alarm system (infra-red with tilt sensor and key-fob operation)
- AL-KO Secure wheel lock
- Wrap around front seating in addition to drawer chest
- Weight plate upgrade (model dependent)
- Cycle rack (Thule Elite G2 two cycle)
- Roof mounted air conditioning (model dependent)
- Roof mounted solar panel
- Yuasa YBX Active Leisure & Marine L36-100 - NCC Class C (model dependent)
- Yuasa YBX Active Leisure & Marine L36-EFB - NCC Class B (model dependent)
- Yuasa YBX Active Leisure & Marine L36-AGM - NCC Class A (model dependent)

Sprite Compact
Specification

Compact	
Berths	2
Number of axles	1
Internal length (at bed box height)	3.66m / 12' 0"
Overall width#	2.03m / 6' 8"
Overall height (inc. TV Aerial)#	2.59m / 8'6"
Maximum internal headroom	1.95m / 6'5"
Overall length#	5.37m / 17' 7"
Awning A/A dimension	7.95m / 26' 1"
Mass in Running Order (inc. tolerance)	980kg / 19.3cwt
Maximum Technical Permissible Laden Mass	1094kg / 21.5cwt
Total user payload	114kg / 2.2cwt
Personal effects payload	114kg / 2.2cwt
Factory fit options	0kg / 0.0cwt
Tyre size	185 R14C 102 Q
Thermal insulation grade	THREE
BED SIZES	
Front double	182cm x 180cm / 6'0" x 5'11"
or front nearside single	180cm x 65cm / 5'11" x 2'2"
and front offside single	180cm x 65cm / 5'11" x 2'2"
Rear double	
Side single (offside)	
Side single (nearside)	
Side bunk (offside)	
Side fixed lower bunk	
Side fixed upper bunk	

Masses: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

Warning: Under no circumstances should the MTPLM be exceeded.

Bedsizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED road lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

Introducing Sprite

With a continued focus on value for money and an array of layouts, Sprite has something to offer every type of family. As always, Sprite is packed full with all the essentials to maintain its perennial popularity, and with an exceptional specification as standard, Sprite is a great choice for endless fun and getaways.

7 layouts to choose from

-  5 single axle layouts
-  2 twin axle layouts
-  2 - 6 berths
-  MTPLM up to 1630kg

Sprite Highlights

Comfy living

Bluemoon soft furnishing scheme with complementary carpet colour.

Sunroof

Panoramic sunroof with integrated curved blind system, recessed lighting and speakers.

Storage with charging area

Wide front chest featuring a soft close drawer with concealed drawer inside and slide-out extending top. Plus, stylish front binnacle with chrome effect socket surround, ideal for charging devices (except Quattro EW and Alpine 4).

Equipped kitchen

Fully equipped kitchen with Dometic (Series 10) 98 litre under counter fridge with electronic ignition, flatbed microwave, thermostatic oven and grill, and three-burner gas hob.

Charging points

Under locker twin USB points (model specific).

TV point

TV point with 230V, 12V and aerial sockets.

Control panel

User-friendly 12V control panel with battery selection, battery state, lighting control and water pump circuit control.

Truma heating control panel

Truma dual fuel heating for year-round comfort.

Sprite

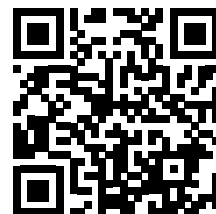

Highlights

Washroom

Fully fitted washroom, including an Ecocamel Jetstorm showerhead for a powerful shower that uses less water.

Luxury mattress

Exclusive lightweight Duvalay Duvalite™ Gravity Luxe mattress for a great night's sleep (model specific)

Masses: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

Warning: Under no circumstances should the MTPLM be exceeded.

Bedsizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED road lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

Introducing Sprite Grande

Enjoying all the features of Sprite, but with even more room to relax and unwind. The extra space in the 8ft-wide range allows for a wider opening central window and front chest, an airy dining area and larger sleeping spaces.

4 layouts to choose from

-  1 single axle layout
-  3 twin axle layouts
-  4 - 6 berths
-  MTPLM up to 1710kg

Sprite Grande Highlights

Extra space

Spacious front lounge with an extra seven inches between seats (compared to standard Sprite models).

Comfy living

Bluemoon soft furnishing scheme with complementary carpet colour.

Extra wide front chest

Extra wide front chest featuring a soft close drawer with concealed drawer inside and slide-out extending top.

Sunroof

Panoramic sunroof with integrated curved blind system, recessed lighting and speakers.

Equipped kitchen

Fully equipped kitchen with Dometic (Series 10) 98 litre under counter fridge with electronic ignition, flatbed microwave, thermostatic oven and grill, and three-burner gas hob.

Additional charging points

Under locker twin USB points (model specific).

TV point

TV point with 230V, 12V and aerial sockets.

Control panel

User-friendly 12V control panel with battery selection, battery state, lighting control and water pump circuit control.

Truma heating control panel

Truma dual fuel heating for year-round comfort.

Sprite Grande

Highlights

Washroom

Fully fitted washroom, including an Ecocamel Jetstorm showerhead for a powerful shower that uses less water.

Toilet

Thetford toilet with electric flush and 18 litre wheeled waste tank.

Luxury mattress

Exclusive lightweight Duvalay Duvalite™ Gravity Luxe mattress for a great night's sleep (model specific).

Fixed beds

Fixed beds with aluminium bed frames to maximise strength and storage space.

Large dinette

Large mid-dinette with wrap-around seating (except Major 4 SB & Quattro EB).

Rear double		192cm x 133cm / 6'4" x 4'4"	185cm x 133cm / 6'1" x 4'4"	192cm x 133cm / 6'4" x 4'4"					

Masses: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

Warning: Under no circumstances should the MTPLM be exceeded.

Bedsizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED road lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

Introducing Challenger Grande SE

Challenger Grande SE excels in delivering a welcoming and spacious caravan interior. The extra width allows for a wider opening central window and a larger bed make-up in the lounge. Plus, added touches of luxury in the kitchen, including soft close drawers, make this range extra special.

5 layouts to choose from

-  2 single axle layouts
-  3 twin axle layouts
-  4 - 6 berths
-  MTPLM up to 1863kg

Challenger Grande SE

Highlights

Extra space

Spacious front lounge with an extra seven inches between seats (compared to standard Challenger SE models).

Comfy living

Galloway soft furnishing scheme with Sangallo Elm woodgrain with Grau and Tora Tela features.

Luxury touches

Luxury curtains to front windows complemented by stylish wall pads (except washroom and bunk bed areas - model specific).

Panoramic sunroof

Panoramic front sunroof incorporating fully integrated curved blind system, recessed lighting and speakers.

Plentiful storage

Useful front chest featuring a soft close drawer and convenient slide-out extending top.

Seating and sleeping comfort

Swift AirWave cushioning for greater seating and sleeping comfort.

TV point

TV point with 230V, 12V and aerial sockets (two in selected models).

Equipped kitchen

Fully equipped kitchen with dual hinged Dometic (Series 10) 133 litre tall slimline fridge, flatbed microwave, Thetford thermostatic oven and grill, electric hot plate, three-burner gas hob, and omnivent.

Scratch resistant floor

Grey French Oak effect, high impact, scratch resistant floor lino with sectioned removable and bleachable carpets for flexibility (except washroom).

Challenger Grande SE

Highlights

Washroom

Redesigned washroom incorporating shower console and durable shower tray.

Power shower

Ecocamel Jetstorm showerhead with on/off button for a powerful shower that uses less water.

Luxury mattress

Exclusive lightweight Duvalay Duvalite™ Gravity Luxe mattress for a great night's sleep.

Extra touches

All fixed beds come with full height headboards and aluminium bed frames to maximise strength and storage space (model specific).

Wardrobes

Wardrobes with mirrored doors (mirrors model specific).

Easy access storage

External luggage door on both sides of rear island bed to access underbed storage (560L & 650L).

186cm x 122cm / 6'1" x 4'0"	

Masses: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

Warning: Under no circumstances should the MTPLM be exceeded.

Bedsizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED road lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

Introducing Elegance Grande

To ensure your touring is as comfortable as it is luxurious, no specification has been overlooked when it comes to the Elegance Grande. Premium features include on board 4G Wi-Fi, Alde underfloor heating and a soft furnishing scheme that fuses comfort, functionality and sophistication.

6 layouts to choose from

-  2 single axle layouts
-  4 twin axle layouts
-  4 berths
-  MTPLM up to 2077kg

Elegance Grande

Highlights

Plentiful storage

Useful front chest featuring a soft close drawer with concealed drawer inside and convenient slide-out extending top.

Sunroof

Panoramic front sunroof with surround incorporating recessed lights and speakers.

LED lighting

Low energy LED lighting throughout, including upgraded feature lighting to front 'A' pillars.

Hidden on board water tank

30 litre internal fresh water tank with additional external pump for filling or direct feed to taps.

Swift Command

Control and monitor onboard systems with the **NEW** 7" LCD Swift Command touchscreen panel.

Alde heating control panel

Alde dual fuel heating for Grade 3 comfort, with the washroom and areas under beds and seats warmed by Alde perimeter radiators.

Equipped kitchen

Fully equipped kitchen with fridge, flatbed microwave, thermostatic oven and grill, electric hotplate, three-burner gas hob, kitchen extractor hood and Mini-Heki rooflight.

Luxury touches

Soft close drawers and upper lockers throughout for smooth operation, and foldaway kitchen worktop extension.

Elegance Grande

Highlights

Washroom

Boutique style dedicated washroom incorporating illuminated shower console and durable shower tray.

Power shower

Ecocamel Jetstorm shower head with on/off button for a powerful shower that uses less water.

Duvalay mattress

Exclusive Duvalay Duvalite Apollo Luxe mattress containing Freshtec – a market leading high spec foam offering maximum airflow for a cool, comfortable good night's sleep (fixed beds only).

Luxurious headboard

Sumptuous full height, deep padded headboard to fixed beds.

Lift up mattress

NEW fold up mattress headrest for additional comfort and increased space at the foot of the bed.

Full width curtains

Luxury full width curtains to front windows complemented by fabric covered surrounds to side windows.

Contoured cushioning

Contoured cushioning for improved sitting and sleeping comfort, and wrapped in Ultra-Leather Dusk fabric that is soft and durable.

- Shower bi-fold door retained on track for improved access (780 & 845)
- One piece 'Vellamo' shower cubicle with curved sliding door (760, 835, 850 & 860)
- Ecocamel Jetstorm shower head with on/off button for a powerful shower that uses less water

- Chrome effect swivel spout vanity tap
- Dedicated illuminated storage shelf in shower area of rear washroom (model specific)
- Thetford toilet with electric flush and 18 litre wheeled waste tank
- Omnivent in washroom (except 845)
- Midi Heki in washroom (except 780 & 845)
- Shaving socket
- Illuminated washroom mirror
- Folding washroom ceiling mounted garment hanging rail (model specific)
- 32mm thick washroom doors with domestic style locks and handles
- Decorative inlay to washroom door (model specific)

Storage

- Rear side luggage doors on both sides (760, 850 & 860)
- Useful front chest featuring a soft close drawer with concealed drawer inside and convenient slide-out extending top
- Upper front corner opening lockers for extra storage
- Soft close drawers and upper lockers throughout for smooth operation
- Lightweight, strong composite furniture construction

Heating & Utilities

- Exclusive Swift Command control system with **NEW** large 7" LCD colour touchscreen panel with improved user interface and functionality featuring:
 - Simple controls for monitoring and managing:
 - Power
 - Battery selection, battery level meter and power usage
 - 230V AC load limiter (settable between 5 amps & 16 amps)
 - Solar panel charging levels
 - Heating control of Alde heating systems
 - Environment monitoring with internal and external temperature and internal humidity levels
 - Selected lighting control with soft-start dimming
 - Water, tank levels and control related features such as pump control
 - Air-conditioning compatible with Dometic and Truma (dealer fit option, model dependent)
 - Refrigeration control and monitoring via CI-bus connection
 - NEW** Swift Command App with Bluetooth connectivity when with the vehicle, to manage and monitor key vehicle functions from your mobile device including power, heating and selected lighting
 - Swift Command website, to control and monitor when away from your vehicle (subject to Wi-Fi or GSM network coverage)
- Includes the useful 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club and Swift dealership locations
- View location history along with system information
- Add Thatcham category S7 tracking for £100 per year
- On-board 4G Wi-Fi
- Alde radiator central heating and water heating with daily programming with LCD touchscreen control and choice of 1kW, 2kW or 3kW setting
- Digital programmable controller for heating and hot water
- Back up Alde water heater lead (to restore settings)

- Boiler mounted heating circulation pump with manual override to assist with system air bleeding
- Areas under beds and seats and washroom areas warmed by Alde perimeter radiators
- Alde underfloor heating
- Fixed bolsters either side of front chest with integrated rear heating vents
- Additional Alde sensor in bedroom
- Alde continuous hot water
- 30 litre internal fresh water tank with additional external pump for filling or direct feed to taps in all models
- Addition of water tank gauge and filling function on Swift Command power supply unit
- High flow rate onboard pump with chrome effect taps for reliable, high performance water supply
- Onboard semi-rigid fresh water pipes
- Large bore underslung rigid waste pipes
- Isolation taps for gas appliances
- Fully protected mains electric system
- 25 metre mains hook-up cable
- 25 amp switchmode charger/transformer
- Wireless charging pad in lounge
- Low energy LED lighting throughout interior including:
 - Over-locker lighting
 - Underlocker lighting within fascia moulding
 - Adjustable and dimmable under-locker spotlights with USB points
 - Illuminated pelmets above side windows
 - Upgraded feature lighting to front 'A' pillars
 - Low level night lights
 - Light above wardrobe

- A minimum of four 230V sockets throughout (not including cooker and microwave), two twin USB points and two twin USB points either side of fixed beds
- Speakers in sunroof surround and bedroom
- Chrome effect sockets and switches throughout
- Branded FM/DAB Radio with USB, Bluetooth connectivity and auxiliary input
- Status 570 directional digital / analogue TV/FM aerial and booster
- Two TV stations with 230V, 12V and aerial sockets with Co-Ax & satellite cables

Safety & Security

- Convenient one-key high security locks
- VIN CHIP™ identification system concealed within construction to deter theft and aid quick recovery
- CRiS identity number labels on windows and caravan chassis
- Swift Command Tracker, a Thatcham Category S7 approved pro-active tracker pre-installed as part of Swift Command system (subject to annual subscription)
- Passive infra-red alarm system with tilt sensor and key fob operation
- AL-KO ATC trailer stability control
- AL-KO AKS 3004 stabiliser
- AL-KO secure wheel lock(s)
- Smoke alarm
- Carbon monoxide alarm
- Deadlock facility on entrance door for added security

Customer Service

- 10 year manufacturer backed bodyshell warranty

Options

Factory fit

- Optional Aquaclean® Truffle soft furnishing scheme
- E&P hydraulic auto-levelling system

Dealer fit

- Swift Command Tracker by Sargent annual subscription
- Weight plate upgrade (model dependent)
- Cycle rack (Thule Elite G2 two cycle)
- Roof mounted air conditioning (model dependent)
- Yuasa YBX Active Leisure & Marine L36-100 - NCC Class C (model dependent)
- Yuasa YBX Active Leisure & Marine L36-EFB - NCC Class B (model dependent)
- Yuasa YBX Active Leisure & Marine L36-AGM - NCC Class A (model dependent)

191cm x 143cm / 6'3" x 4'8"		191cm x 143cm / 6'3" x 4'8"	

Masses: The masses are calculated in accordance with EU regulation 1230 / 2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan, and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

Warning: Under no circumstances should the MTPLM be exceeded.

Bedsizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m (1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Est = Estimated weight or bed size.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED road lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

Constantly innovating for the best nights' sleep possible, Duvalay's bespoke mattresses and bedding are trusted by our customers. We fit Duvalay's Duvalite mattresses as standard on all fixed beds across our caravans.

Swift partners with Diamondbrite Leisure - leaders in paint and upholstery protection - to help maintain your caravan or motorhome. Professionally applied at your dealership with a lifetime guarantee, it includes an exterior nano-ceramic high-gloss coating for easier cleaning and an upholstery elixir which resists staining.

Proud to work with our

Value added partners

Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable heating systems for the world's explorers. We have worked with Alde since 1994 to help make our leisure vehicles feel more like home, testing our caravans down to minus 15°C to ensure you stay cosy no matter where the road takes you.

One of the industry's leading heating systems, Truma's combi heaters are perfect for caravans with their lightweight, compact structure and quiet operation, as well as efficient boost function. We fit Truma products so our customers can enjoy cold chamber-tested, Grade 3 standard heating and insulation.

The world's leading battery manufacturer, Yuasa is a long-time supplier of leisure vehicle batteries to Swift thanks to its products' high quality, long life and superior performance, powering the demands of modern lifestyles.

AL-KO is a global company with a rich history in manufacturing leisure products since 1931. AL-KO partners with Swift by offering a wide range of products, including caravan chassis and premium caravan accessories. Their partnership with Swift ensures you enjoy holidays with the best components and accessories.

Thetford, the world's leading supplier of mobile sanitation systems, cooking appliances and more. Swift incorporates Thetford's high quality products into our designs, ensuring an exceptional and hassle-free leisure experience for you.

Dometic, a global market leader in mobile living solutions, offers smart, reliable products for food, climate, power, and other applications, enhancing Swift's caravans with outstanding design and functionality.

More control with Swift Command

Available with our Elegance Grande range, Swift Command monitors and controls the onboard systems via a touch screen panel and a smartphone app, so you can always be in control.

With the convenience of your mobile device, you can access the onboard interface using Bluetooth when near your caravan or via your internet connection when remote.

Swift Command enables you to track system levels such as power, temperature, and humidity, and monitor the location of your vehicle. You can even control the heating, activating it for a warm return on colder days.

The app also lets you set up notifications to keep you informed of important functions, such as battery levels, frost alerts and alarm status.

Head to the Apple or Android store and search for 'Swift Command'.

For even greater peace of mind, you can subscribe to the Thatcham Category S7 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

Lighting

Create just the right ambience onboard with easily adjustable lighting settings.

Power

Track your energy use and manage your batteries for efficient use of your all important power services.

Location and remote features

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

Water

Keep an eye on your precious water levels so you know in good time when to top-up.

Heating

Activate whilst out exploring and enjoy the warmth when you get back.

Fridge

Track your energy use and manage your batteries for efficient use of your all important power services.

Get personal with **My Swift Life**

Replacing Connect Direct (our previous customer portal), My Swift Life is now available to all Swift caravan and motorhome owners*

My Swift Life provides owners with a unique personal profile, where you can access information that's specific to your caravan or motorhome, including; outstanding warranty claims, service information and a direct line into our Swift customer experience team.

Log in to My Swift Life and report faults directly to Swift, enabling us to work together and allowing us to respond more quickly to your needs. Our new platform hosts a variety of information,

including product notifications, customer bulletins, product recalls and upgrades, as well as important notifications about our products and services.

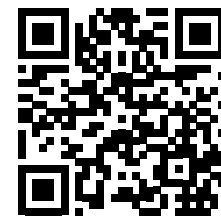

Using My Swift Life, you can also view chargeable orders that have been placed on your behalf, by your Swift dealer or servicing provider, along with any outstanding warranty claims from the date of ownership.

What's more, you'll have access to useful tips and our comprehensive "How To" video library, designed to help you familiarise yourself with your Swift caravan or motorhome.

* Available to UK registered customers only.

Join My Swift Life for all this and more!

- Access to useful "How To" video guides
- Access to personalised information 24/7
- Ability to report faults directly to our customer care team
- Authorised claims passed directly to dealer to speed up the warranty process
- Product upgrades notifications
- Live messaging direct into Swift's customer experience retail team, including direct access to tech support
- Upload service history records
- Service history reminders
- Useful bulletins and alerts

Swift Owners Clubs

Swift Owners Club

The Swift Owners Club is the natural home for owners of Swift Group caravans and motorhomes. Our members come from all walks of life and include families, couples, single and retired people. Everyone, including pets, are welcome!

Joining our Club offers a host of social benefits and is probably one of the best investments you could make. If your caravan or motorhome is a brand owned by the Swift Group, or is an Airstream caravan (Model years 2017, 2018 or 2019), what are you waiting for?

Join up!

Sprite Sterling Swift Owners Club

We are a small, non-profit-making organisation run by unpaid, subscription-paying members. Our activities centre around social rallies for owners of Sterling, Sprite and Swift caravans, dealer specials based on these and older caravans made by Eccles, Sprite Leisure Group or CI.

We organise temporary weekend 'pop up' sites (rallies) across the country. Many are on fields reserved for rallies.

Members get an exclusive invitation to visit the Swift Group factory every few years.

Challenger
EXCLUSIVE

✈ ✈ ✈ ✈
Your Home Anywhere

Welcome to Swift

UK's No.1 brand for

leisure vehicles

We are the UK's largest manufacturer of touring caravans, motorhomes and holiday homes. We've grown from simple foundations back in 1964, when our founder Ken Smith built his first touring caravan, to become the UK's number one leisure vehicle brand.

Our philosophy is to build leisure vehicles that are at the heart of your holiday, whether that be nestled in the countryside or by the sea, searching out active pursuits or simply enjoying a quieter pace of life. With a lifetime of memories waiting to be made, it's time to find your ultimate caravan!

Introducing The Swift Difference

There's no better feeling than stepping into your caravan for a relaxing getaway. We've dedicated countless hours of research and development to ensure that every detail of your caravan is built to last and luxuriously comfortable, so you can get on with the important things in life – creating memories and enjoying unforgettable holidays.

Only when you choose Swift can you enjoy this exclusive package of benefits, as part of our Swift Difference.

SMART construction

The UK's leading modern construction system with 'PURE' timberless framing that's impervious to water.

Efficient living

Swift caravans are engineered with efficiency at its core - from low energy LED lighting to an aerodynamic exterior for better fuel consumption and safer towing.

Long term warranties

Extra reassurance with multiple warranties including an industry leading 10 year bodyshell warranty.*

*Terms and Conditions apply

Supreme comfort

Enjoy an exceptional night's sleep with a Duvalay mattress fitted to all fixed beds and exclusive to Swift.

All year freedom

Swift caravans are tested to the extreme in a cold chamber to ensure they can keep you warm and comfortable whatever the weather.

My Swift Life

My Swift Life provides owners with a unique personal profile, where you can access information that's specific to your caravan or motorhome, including; outstanding warranty claims, service information and a direct line into our Swift customer experience team.

Expert training

Launched in 2015, The Swift Academy provides our employees with the opportunity to develop their skills at every stage of their career, encouraging our employees to reach their full potential. We have invested in the Swift Academy because we believe in our people and want to demonstrate our commitment to their development.

Extensive Choice

With over thirty models across our three caravan ranges, there is a huge choice to suit most budgets and tastes at weights suitable for a variety of tow cars - all supported by the UK's largest dealer network. Many ranges have a selection of value-added extras to help you customise your caravan.

Pioneers

Innovation is our passion. We continually push the boundaries and utilise state-of-the-art design and construction techniques to ensure our products look sensational, work intuitively and function efficiently. Swift Command*, a product of innovative thinking, monitors and controls onboard systems via a user-friendly panel and smartphone app.

*Range specific

Celebrating a decade of excellence with Smart Construction

As the trailblazer in the leisure vehicle industry, we have consistently raised the bar with our unwavering commitment to research and innovation.

This season, we are thrilled to commemorate a significant milestone - a decade of SMART Construction!

Providing you with peace of mind, SMART is an ingenious blend of materials and construction techniques that guarantee enhanced structural integrity, improved insulation and all-important weather resistance - ensuring your investment will stand the tests of touring and help retain your caravan's residual value.

Strong

The strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

Modern

SMART uses modern materials produced using cutting-edge technology and has been developed to ensure the exterior profiles maintain the modern desirable looks our caravans are renowned for.

Aerodynamic

We continue to lead the way in aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing.

Resilient

Our GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

Tested

Extensive safety and durability testing at the Millbrook track, and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime.

PURe Polyurethane framework

The strong timberless body frame uses 'PURe', a tough, hard polyurethane based product that is totally impervious to water, ensuring the longevity of your caravan.

Polystyrene core

For ensured accuracy, lightweight polystyrene is cut to shape using the latest water jet technology. With 22mm polystyrene used in the side walls, and 28mm used in the roof, all Swift caravans meet the Grade 3 thermal properties needed for year-round adventures.

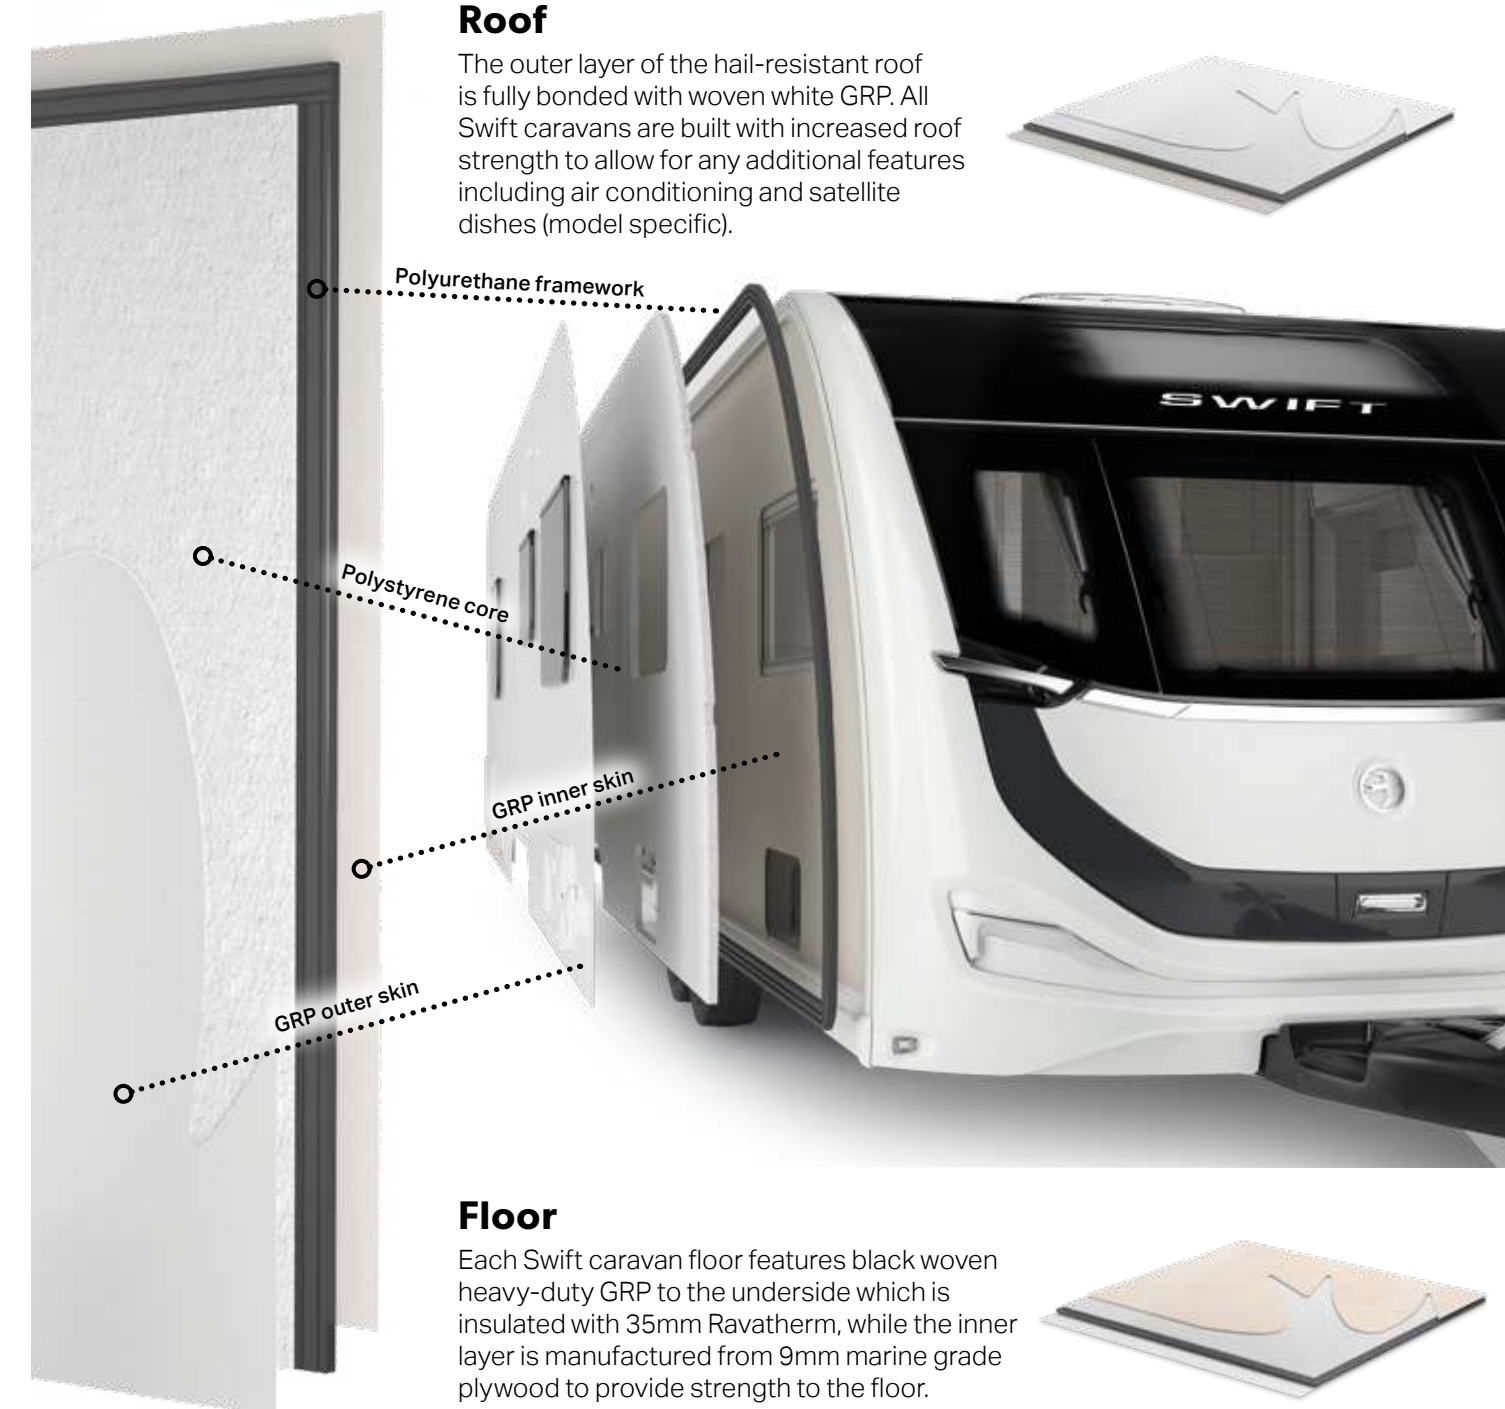

GRP

Manufactured on-site at Swift, our GRP (Glass Reinforced Plastic) is a robust and resilient material. The outer and inner GRP skins are the same thickness, creating a balanced panel, to allow the caravan to expand and contract in different climatic conditions. Plus, GRP's impact and scratch-resistant qualities ensure long-lasting good looks that in turn help to hold the residual value of your caravan.

Unlike other manufacturers, our GRP inner skin does not use any jointing tape - all Swift caravans have a jointless sealing in the walls, and are embellished with wallpaper finishes.

Roof

The outer layer of the hail-resistant roof is fully bonded with woven white GRP. All Swift caravans are built with increased roof strength to allow for any additional features including air conditioning and satellite dishes (model specific).

Floor

Each Swift caravan floor features black woven heavy-duty GRP to the underside which is insulated with 35mm Ravatherm, while the inner layer is manufactured from 9mm marine grade plywood to provide strength to the floor.

Introducing Challenger Exclusive

New for 2024, Challenger Exclusive is an enhanced version of Challenger SE, featuring additional premium features to make this range extra special.

Inside, Challenger Exclusive embraces sophistication with its sleek lines and impeccable finishes. In the lounge, Swift AirWave cushioning is wrapped in the stain resistant Willow soft furnishing scheme and finished with superior automotive stitching, whilst the latest in technology is at your fingertips for easy control of the onboard systems.

Outside, the enhanced exterior graphics and diamond cut alloy wheels not only showcase its exclusivity but also ensure that heads turn as you arrive at your destination.

With nine, two to six berth layouts to choose from, including layouts from the spacious 8ft-wide range, there's a model tailored to every taste and preference.

Relax and unwind

Comfy living

Willow soft furnishing scheme finished with superior automotive stitching, and Sangallo Elm woodgrain with Grau and Tora Tela features.

More space

Challenger Grande Exclusive features a spacious front lounge with an extra seven inches between seats (compared to Challenger Exclusive).

Plentiful storage

Useful front chest featuring a soft close drawer and convenient slide-out extending top.

Seating and sleeping comfort

Swift AirWave cushioning for greater seating and sleeping comfort.

TV point

TV point with 230V, 12V and aerial sockets (multiple points in selected models)

Scratch resistant floor

Grey French Oak effect, high impact, scratch resistant floor.

LED lighting

Low energy LED lighting throughout, including under counter lighting in the kitchen.

Home from home cooking

Fully equipped kitchen

Thetford thermostatic oven and grill with a three-burner gas hob and an electric hot plate, finished with cast iron frets. Plus, a flatbed microwave.

Fridge freezer

Dometic (Series 10) 133 litre fridge with a freezer compartment (98 litre on 560 and 580).

Omnivent

Draw fresh air in or pull cooking odour out with the kitchen omnivent.

Extra touches

Soft close kitchen drawers and two pull-out wire baskets, ideal for storing fruit and vegetables.

Luxurious extras

Swift Command

Control and monitor onboard systems with the 7" LCD Swift Command control panel.

Swift Command Tracker

For peace of mind, you can subscribe to the Thatcham Category S7 approved pro-active tracker to add extra security to your Challenger Exclusive.

Integrated Wi-Fi

Stay connected with onboard 4G Wi-Fi.

Wireless charging

Recharge your phone on the wireless charging pad for a neater living space.

Panoramic sunroof

Panoramic front sunroof incorporating fully integrated curved blind system, recessed lighting and speakers.

Luxury curtains

Luxury curtains to front windows complemented by stylish wall pads.

Luxurious Bedroom

Luxurious mattress

Exclusive lightweight Duvalay Duvalite™ Gravity Luxe mattress for a great night's sleep.

Extra touches

Fixed beds are fitted with a full height headboard and aluminium bed frames to maximise strength and storage space.

Wardrobes

Wardrobes with mirrored doors (mirrors model specific).

Easy access storage

External luggage door on both sides of rear island bed to access underbed storage (560, 560L, 650 & 650L).

Blinds and flyscreens

Pleated blinds and flyscreens to all windows.

Practical and premium

Washroom

Redesigned washroom incorporating shower console and durable shower tray.

Power shower

Ecocamel Jetstorm showerhead with on/off button for a powerful shower that uses less water.

Toilet

Thetford toilet with electric flush and 18 litre wheeled waste tank.

Boutique touches

Stylish handleless furniture, chrome effect swivel spout vanity tap, additional towel ring (model specific), shower hanging rail (model specific), and towel rail above radiator (model specific).

Designer looks

Stylish exterior

Streamlined aerodynamic profile complete with exclusive graphics and a stylish grey side wall décor.

Diamond alloy wheels

Full Diamond Cut Edge alloy wheels for a refined look.

Awning light

For extra light at night, an additional awning light is fitted to the offside.

External amenities

External cold water shower point, external TV point and external BBQ point. Plus, 100W solar panel for off-grid adventures.

LED lighting

Exclusive LED rear light clusters, LED high level marker and brake light to provide better visibility in poor weather.

Furnishing scheme

Featuring a palette of light, natural hues, the Willow soft furnishing scheme fitted in Challenger Exclusive is stain resistant and offers an airy and calming interior.

Adding a touch of contrast, the Sangallo Elm woodgrain complements the light décor, while chrome detailing in the upper locker doors instil a modern flare.

More control with Swift Command

Available with our Challenger Exclusive and Challenger Grande Exclusive range, Swift Command monitors and controls the onboard systems via a touch screen panel and a smartphone app, so you can always be in control.

With the convenience of your mobile device, you can access the onboard interface using Bluetooth when near your caravan or via your internet connection when remote.

Swift Command enables you to track system levels such as power, temperature, and humidity, and monitor the location of your vehicle. You can even control the heating, activating it for a warm return on colder days.

The app also lets you set up notifications to keep you informed of important functions, such as battery levels, frost alerts and alarm status.

Head to the Apple or Android store and search for 'Swift Command'.

For even greater peace of mind, you can subscribe to the Thatcham Category S7 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

Lighting

Create just the right ambience onboard with easily adjustable lighting settings.

Location and remote features

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

Water

Keep an eye on your precious water levels so you know in good time when to top-up.

Heating

Activate whilst out exploring and enjoy the warmth when you get back.

Fridge

Track your energy use and manage your batteries for efficient use of your all important power services. (model specific)

Power

Track your energy use and manage your batteries for efficient use of your all important power services.

Get personal with My Swift Life

Replacing Connect Direct (our previous customer portal), My Swift Life is now available to all Swift caravan and motorhome owners*

My Swift Life provides owners with a unique personal profile, where you can access information that's specific to your caravan or motorhome, including; outstanding warranty claims, service information and a direct line into our Swift customer experience team.

Log in to My Swift Life and report faults directly to Swift, enabling us to work together and allowing us to respond more quickly to your needs. Our new platform hosts a variety of information,

including product notifications, customer bulletins, product recalls and upgrades, as well as important notifications about our products and services.

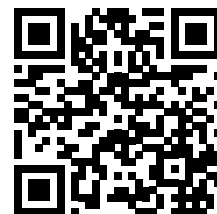

Using My Swift Life, you can also view chargeable orders that have been placed on your behalf, by your Swift dealer or servicing provider, along with any outstanding warranty claims from the date of ownership.

What's more, you'll have access to useful tips and our comprehensive "How To" video library, designed to help you familiarise yourself with your Swift caravan or motorhome.

* Available to UK registered customers only.

Join My Swift Life for all this and more!

- Access to useful "How To" video guides
- Access to personalised information 24/7
- Ability to report faults directly to our customer care team
- Authorised claims passed directly to dealer to speed up the warranty process
- Product upgrades notifications
- Live messaging direct into Swift's customer experience retail team, including direct access to tech support
- Upload service history records
- Service history reminders
- Useful bulletins and alerts

Join the Club! Swift Owners Clubs

Swift Owners Club

The Swift Owners Club is the natural home for owners of Swift Group caravans and motorhomes. Our members come from all walks of life and include families, couples, single and retired people. Everyone, including pets, are welcome!

Joining our Club offers a host of social benefits and is probably one of the best investments you could make. If your caravan or motorhome is a brand owned by the Swift Group, or is an Airstream caravan (Model years 2017, 2018 or 2019), what are you waiting for?

Join up!

Sprite Sterling Swift Owners Club

We are a small, non-profit-making organisation run by unpaid, subscription-paying members. Our activities centre around social rallies for owners of Sterling, Sprite and Swift caravans, dealer specials based on these and older caravans made by Eccles, Sprite Leisure Group or CL.

We organise temporary weekend 'pop up' sites (rallies) across the country. Many are on fields reserved for rallies.

Members get an exclusive invitation to visit the Swift Group factory every few years.
