

*Introducing our Exclusive 2018 Special Editions*

Major UK Supplier of British Built Touring Caravans and Motorhomes

# Welcome to our 2018 brochure

## About Us

Wandahome was established in 1951 in Stanningley Road, Leeds by Ernest Jones Burnley, who conceived the Wandahome Dawn, a hand-built touring caravan frame that could then be customised to a consumer's exact specification. Under the stewardship of the founders' grandsons, Steven and Nigel, the company has prospered and today is one of the most successful caravan retailers in the country.

With an exciting expansion in to a full range of motorhomes and a stunning collection of new and used caravans we are sure that our customers will find the perfect model for them at our 18 acre South Cave Site.

# Leading the way

Wandahome has always placed great importance on industry innovations and ensuring our Special edition caravans are supplied with the latest technology. With that in mind we have selected a number of products for our 2018 models that will deliver a truly elevated user experience

## Truma I-Net System

Whether you are relaxing on the beach or tucked up in bed you can now control your Truma appliances such as your heating through the official Truma App.

The Truma iNet Box is a central control unit that networks the Truma appliances in your caravan or motor home. Together with your Truma appliances and the Truma App it forms the Truma iNet System. With the iNet Box, you can control your Combi heater and/or a Truma air conditioner remotely from a smartphone or tablet.

- Convenient remote control of your iNet-capable Truma appliances from your smartphone
- Simple installation and start-up via the Truma App
- Simultaneous control from up to four mobile device
- Fitted on all 2018 special edition Ace, Corniche and Eclipse models

## Truma Aventa Comfort Air Conditioning System

Truma Aventa Comfort is an advanced air conditioning unit that is designed to cool your vehicle to your desired temperature quickly and efficiently. The unit has also been designed to clean the air and reduce humidity to ensure a pleasant indoor climate even with minor differences between the inside and outside temperature. With an integrated heat pump, you can heat your motor home or caravan especially on cooler days in spring and autumn.

- Quiet sleep mode with reduced fan speed
- Built in timer
- Select your room temperature in one degree increments
- Four operating modes (cooling, heating, automatic, air circulation) and three fan speeds
- Built in mood lighting that can be used independently
- Fitted on the 2018 Corniche models as standard and available on the 2018 Ace range

The 2018 Swift

# ACE

The Ace brand of caravans was originally manufactured in Hull in 1962. Wandahome are proud to be the only retailer exclusively selling this iconic brand for 2018.

We are overjoyed to be introducing such an extensive range of caravans ideal for couples as well as great layouts for all families.

## Ace – Iconic brand, modern design

Introduced in 2013 by Wandahome as a unique limited edition, the Ace vehicles quickly became the largest selling special edition the company has ever produced.

We are sure that you will not only find the layout to suit your family's needs but with such extremely competitive prices every vehicle is affordable.

The Ace range consists of a 10-model line-up and for the first time ever will include features never previously seen in a caravan at this price.

The 2018 Swift

# CORNICHE AIR

The Corniche, as we all know, is a recognised brand name synonymous with prestige cars and caravans. Exclusively to Wandahome, the 2018 Corniche possesses a specification befitting of a higher end vehicle to suit both couples and families who are looking for a high-quality vehicle with a complete specification.

## Corniche – Luxury without compromise

For the first time ever Wandahome have built, in conjunction with The Swift Group, the Corniche which, as standard, comes fitted with the Truma Aventa Comfort Air Conditioning Unit which produces both warm and cool air giving the Corniche an all year-round appeal.

With its luxury interior and dramatic new graphics, the Corniche we believe, is perfect for the European traveller.

## Eclipse – Lightweight luxury

Whether you're embarking on a great adventure to new lands, spending cherished time with your loved ones in a favourite spot or simply putting the wind back in your sails, a Lunar Eclipse will provide the perfect backdrop for memories you'll cherish for a lifetime.

# The 2018 Lunar Clubman & Delta *Moon Edition*

On Lunar's premium brand, Clubman and Delta, we again have introduced for 2018 the Moon Edition range which is manufactured exclusively by Lunar Caravans for Wandahome.

Every caravan in the Delta and Clubman range are available in the Moon Edition fabric. When launched for 2017, the models proved to be a massive talking point across the industry.

For 2018, we have further enhanced the product and we are excited about showing the Moon Edition range to our customers.

A new way to purchase your new Caravan or Motorhome

# PCP – Personal Contract Purchase

Explained the easy way

## How does it work?

To show you in simple terms let's work on a caravan priced at £20,000

**Conventional Financing**  
**£20,000 Caravan**

Vs

**PCP (Personal Contract Purchase)**  
**Same £20,000 Caravan**

But this time we set a value (G.F.V Guaranteed Future Value) to the end of the agreement

The benefits to you are:

- Shorter term cycle
- Lower monthly payments
- More flexibility
- Peace of mind

So what happens at the end of the agreement?

# At the end of the agreement

Let's assume you have now had your caravan for 5 years and are coming up to the end of your 5 year term.

**On Conventional Finance** – Dependant on The Term you took it over you could be still paying for another few years, same caravan, same monthly payments.

**On PCP** (Personal Contract Purchase) – You have come to the end of your contract!

## You now have 3 options

1. Pay the outstanding G.F.V. (Guaranteed Future Value) The caravan is yours to keep.
2. Part exchange the caravan – Valuations above your G.F.V. is equity/deposit towards your new caravan or motorhome.
3. Just hand it back with no more to pay. Subject to terms and conditions.

With Wandahome you can choose how much deposit you'd like to pay, the contract term and final payment.

It's ideal for those who want to keep their options open – at the end of the agreement you can choose to buy the caravan or motorhome, part exchange it for another or simply hand it back.

1. Pay the Final Repayment to own the caravan or motorhome or
2. Part exchange the caravan or motorhome subject to settlement of your existing finance agreement; new finance agreements are subject to status.
3. Return the caravan or motorhome and not pay the Final Repayment. If the caravan or motorhome is in good condition and has not exceeded the agreed maximum mileage you will have nothing further to pay. Further information on what is considered good condition can be found at [blackhorse.co.uk/CaravanGoodConditionGuide](http://blackhorse.co.uk/CaravanGoodConditionGuide) for motorhomes. If the motorhome has exceeded the agreed maximum mileage a charge for excess mileage will apply.

Finance is available to UK residents aged 18+, subject to status. Subject to settlement of your existing finance agreement. New finance agreements are subject to status. If the motorhome or caravan is in good condition and has not exceeded the agreed maximum mileage (motorhomes only) you will have nothing further to pay. For motorhomes, there is an annual mileage restriction of 8,000 p.a.

This brochure has been designed to provide you with basic information prior to making a purchase decision. It is advisable to consult with a member of staff before a final decision is made. Every effort has been made to make sure all the information in this brochure is correct at time of going to print – October 2017. Wandahome (South Cave) Ltd reserve the right to alter technical specifications, prices and model information as materials and conditions demand and can accept no responsibility for any discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. personal effects) have been used to enhance photography and are not supplied with the caravan. Due to varying awning designs and sizes the awning sizes printed in this brochure are approximate sizes only. Awning sizes must be confirmed by a member of staff prior to purchase to confirm a correct match between caravan and awning. Weights: The method of calculating the Mass in Running Order (MRO) and user payload figures has changed in order to bring it in line with European Vehicle Directives. These weights can be explained by a member of staff on request if you require further clarification. LED Road Lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting. Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without a chest of drawers. The double bed width for a layout with a chest of drawers fitted, will be reduced by 0.4m (1'4") from that stated. Limitations in the printing process may mean upholstery colours are not truly represented.
