The 2023 Swift

ACE

Our exclusive special edition

We love to see our exclusive special edition Ace touring caravans out-and-about. We have so many customers whom are loyal to our Ace brand due to the quality and value provided.

Swift manufacture our Ace caravans in Cottingham, very near to our South Cave site. They're designed and built to our requirements and, for 2023, we've excelled ourselves in what we're offering.

With 10 models to choose from, there's something to suit everyone with our best-selling Ace range. It's worth checking out the additional specification and extras you get when you buy an Ace versus the standard Sprite equivalent caravan on which they're based.

There are 10 models to choose from in the Ace range starting with the ever-popular 2-berth Ambassador, to the 4-berth Envoy, Diplomat and best-selling Globetrotter.

Five 6-berth layouts are available, four of which come as a twin-axle.

Three of the Ace range are 8'-wide Award models, including the 4-berth Ace Award Daystar. We're sure that this island bed, end washroom layout will be as popular as the 6-berth Nightstar and Superstar have been since we introduced them.

Exclusive to Wandahome Specials for 2023, the upholstery is produced with "AquaClean" fabrics, so is already pretreated against spills and stains.

For the full range, layouts and technical specification provided on our Ace versus a standard Sprite, please see overleaf.

The 2023 Swift

CORNICHE

Sophistication and luxury provided as standard

The Corniche brand is synonymous with quality and it is one we are proud to have exclusive rights to. For many years now, Swift have manufactured the beautiful Corniche touring caravans to our design and specification.

The whole range has been extended to include FOUR 8 foot wide models, all based on the most popular layouts. These models are suffixed '8' to indicate the additional width.

For 2023, the Corniche comes with Alde heating, along with ATC, a 100-watt solar panel and many other extras as standard. Some models increased in width to 7'6". Based on Swift's standard Challenger, we're sure that the 2023 Corniche will prove to be a winner.

Exclusive to Wandahome Specials for 2023, the upholstery is produced with "AquaClean" fabrics, so is already pretreated against spills and stains.

There are eight tourers in the 2023 Corniche special edition range, four standard-width and four brand-new 8'-wide models.

Starting with the 2-berth 16/2 end-washroom layout, the 19/4 provides a centre washroom and a rear island bed; and the best-selling 20/4 has a fixed transverse island bed, and an end-washroom layout. A twin axle completes the range, the 23/4, with a centre washroom plus end island bed.

Moving onto the new 8'-wide option, a new 6 berth 24/8 is to be launched in the new year which cleverly combines fixed bunks and a fixed bed. The 20/8 is the same layout as the 20/4 and there are two more twin-axle layouts available; the 21/8 has a centre washroom and transverse island bed at the rear and the 23/8 also has a centre washroom and rear island bed.

The 2023 Ace Technical Specification

Our 2023 Ace includes ALL the specification which is contained on the Sprite base models.

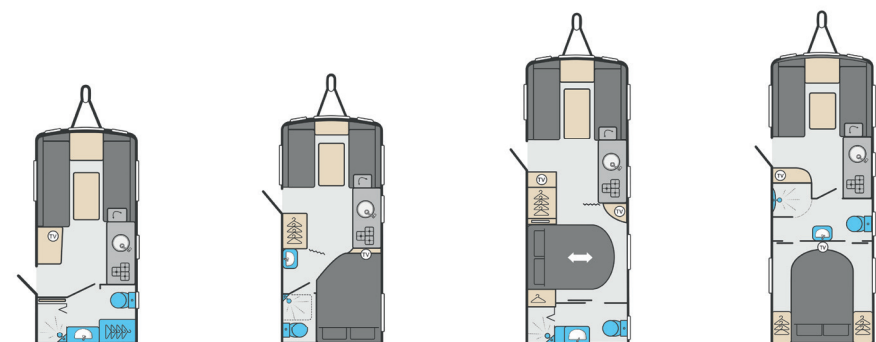

Like with the Sprite, our Ace comes with a Panoramic Sunroof as standard which includes:

- DAB Radio
- Edge Alloy Wheels
- Al-Ko Stabiliser and Wheel Lock Receiver
- Concertina Flyscreen Door
- New Flat Bed Microwave Oven

With our 2023 Ace, customers receive the following additional specification on top of the Sprite base model:

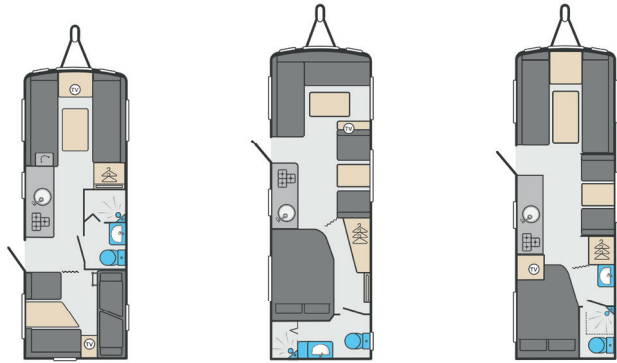

- Alarm with Key Fob Awning Light Control
- 100W Solar Panel
- Exclusive Aquaclean Upholstery/Curtains plus 4 Scatter Cushions
- 4-sided Horrex Window Blinds
- Exterior Door with Window and Blind
- Gas BBQ Point
- Exterior 230v Mains Socket
- Mirrors on Robe Doors (layout specific)
- External Access Door under Front Bed (layout specific)
- Rain Guards (Mud-Flaps)
- Chrome Grab Handles
- Additional TV Socket (Twin-Axles only)
- Heavy Duty Corner Steadies (Twin-Axles only)
- Unique Graphics and Logo Scheme

The 2023 Corniche Technical Specification

Our 2023 Corniche includes ALL the specification which is contained on Swift's Challenger base models.

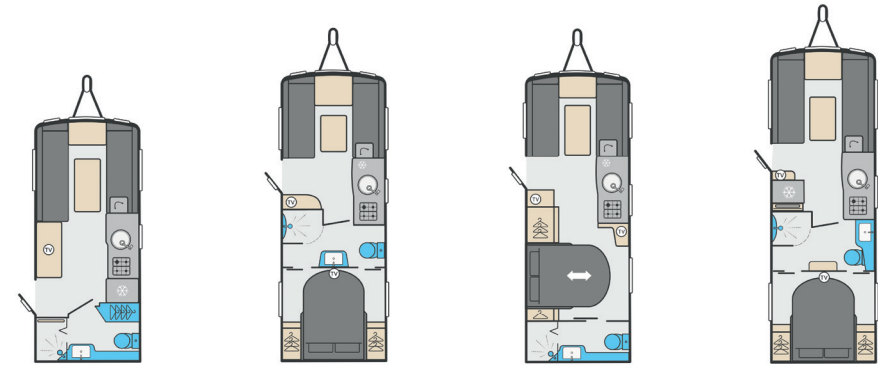

Like the Challenger, our Corniche comes with Alde Heating and Lux Pack as standard which includes:

- BBQ Point
- Alarm with Key Fob Awning Light Control
- External Service Door
- NEW 7'6" Body Width (Model specific)
- NEW Full Width Sunroof

With our 2023 Corniche, customers receive the following additional specification on top of the Swift Challenger:

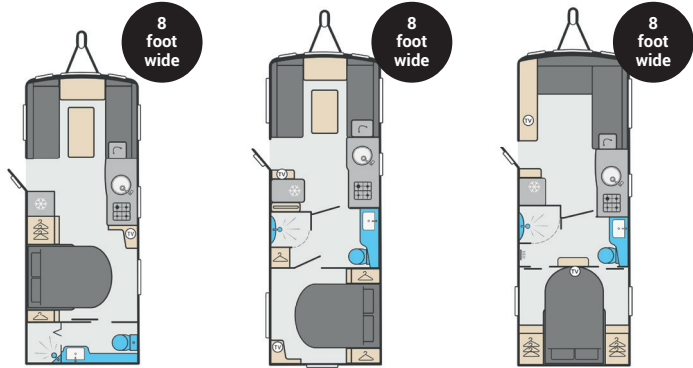

- Phantom Tracking System (inc first year subs)
- Al-Ko ATC (Automatic Trailer Control)
- Exclusive Aquaclean Fabric Scheme
- Al-Ko Secure Wheel Lock Receiver and Locks
- Side Lift Jack and Brackets
- Omnivent in Kitchen
- Sunroof Uplift with Acrylic Fascia
- Dimmable Spotlights
- Truma Aquasource Mains Water Connector
- Rain Guards (Mud-Flaps)
- Mirrors on Robe Doors (model-specific)
- Washroom Hanging Rail (model-specific)
- Heavy Duty Corner Steadies (lockable at rear)
- Unique Graphics and Logo Schemes
- External Shower Point

This brochure has been designed to provide you with basic information prior to making a purchase decision. It is advisable to consult with a member of staff before a final decision is made. Every effort has been made to make sure all the information in this brochure is correct at time of going to print – October 2022. Wandahome (South Cave) Ltd reserve the right to alter technical specifications, prices and model information as materials and conditions demand and can accept no responsibility for any discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. personal effects) have been used to enhance photography and are not supplied with the caravan. Due to varying awning designs and sizes the awning sizes printed in this brochure are approximate sizes only. Awning sizes must be confirmed by a member of staff prior to purchase to confirm a correct match between caravan and awning. Weights: The method of calculating the Mass in Running Order (MRO) and user payload figures has changed in order to bring it in line with European Vehicle Directives. These weights can be explained by a member of staff on request if you require further clarification. LED Road Lights: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting. Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without a chest of drawers. The double bed width for a layout with a chest of drawers fitted, will be reduced by 0.4m (1'4") from that stated. Limitations in the printing process may mean upholstery colours are not truly represented.
