“Brisk
WALKS
along the
seafront”

Getting way off the beaten track

Memories are what make life worth living. And with a Bailey motorhome, you're free to get out and discover new memories whenever you like. Whatever the time of day, whatever the weather, the world is waiting for you. You could be making some extra special memories very soon...

“Enjoying
a morning ride
in the SUN.”

Feeling as free as a bird

When you realise you don't need to follow the map, but just go where the road takes you, pulling over on the way to marvel at an incredible view. Then you arrive at a magical destination that you weren't expecting at all. Every moment in a Bailey motorhome becomes a memory to look back on.

“The perfect base for a BEACH trip”

Make precious
memories
with a Bailey **APPROACH**
ADVANCE

Life is about the journey. So take your own route and make your own way. With a Bailey Advance, you're free to go wherever and whenever the fancy takes you, getting out and about to collect some memories that will last a lifetime.

Whether you've done it before, or you're new to motorhome holidays, there's no better way to introduce yourself to the true freedom of the open road than the Bailey Advance. With comfort and convenience aplenty, you'll wonder how you ever travelled any other way.

So where will your first journey take you? To a sheltered cove, an enchanted forest, or a vibrant market town? You could be there in no time – all you have to do is get in and drive.

“ Spending
lazy
AFTERNOONS
by the
LAKE! ”

There's no need to plan, just go. Motorhomes make the journey so much easier. We've taken that philosophy and applied it to every last detail in the Bailey Advance.

From under-floor storage through to overhead lockers, to soft, tactile upholstery, the Advance gives you everything you need at your fingertips. So you can take it easy as you go and then relax and unwind once you've arrived.

Nothing should stop you from getting out there and exploring. Certainly not the weather. Your Bailey Advance comes with a rapid interior heating system to keep you cosy and warm inside, whatever's going on outside.

There's an ultra-fast Whale hot water heating system too, so you can quickly feel refreshed and reinvigorated after a day out in the open air. Once you're showered, why not prepare your favourite meal and sit down to gaze out at the scenery as you wait for it to cook.

-  80Ah leisure battery, to give greater independence away from mains power
-  90 litre on-board fresh water tank
-  Italian design overhead locker doors with a dual-finish and push button catches
-  Heki roof lights throughout
-  Fully equipped washroom with fully lined shower with Eccocamel shower head

“Enjoying
BREAKFAST
with a
beautiful VIEW.”

Your memories are unique and your Bailey Advance should be too. Your motorhome gives you the opportunity to create your own personalised home from home.

For that extra level of comfort, why not upgrade to the Premium Pack? It includes cab air conditioning, DAB radio with Bluetooth connectivity, USB connection points as well as passenger airbags and removable cab carpets too. After all, this is your journey, your way.

-  Drop down bed
-  Under-floor storage
-  'Queensway' upholstery fabric

destination
each day!”

Make every moment

memorable with a Bailey
Autograph

We want every moment of your time away from home to be unforgettable. And with the Bailey Autograph, we've made sure that everything is in place to help you create memories to treasure.

From the sheer pleasure of driving such a responsive and powerful engine, to the convenience of having everything you need for your holiday easily at hand, the Autograph has been designed with the end user in mind.

Whether you're revisiting some favourite corners of the country, exploring pastures new, or even travelling abroad, in an Autograph you'll take all your home comforts with you and make your home wherever you go.

“Relaxing
with a
GOOD
book”

True luxury is having all the comfort and technology you need, with the space to enjoy it. The ingenious design throughout the Autograph interior creates a real feeling of space and light, without compromising one inch on the home comforts.

From the fully adjustable, upholstered driver and passenger captain's seats to the Alde programmable heating system, we've made sure to surround you in comfort. And with features like a Truma 100W solar panel and a Fiamma F45S wind-out awning, Autograph comes fully equipped with everything you need to make memories aplenty.

-  NEW Fibertek mattress lining
-  'Mendip Ash' furniture finish
-  NEW ceiling mounted pull down hanging rail (model specific)
-  Single piece, fully sealed shower cubicle
-  Truma 100 watt solar panel
-  Heki roof lights throughout
-  NEW Alloy wheels as standard

With sleek, contemporary cabinetry and plush furnishings and upholstery throughout, the Autograph is a space you're going to want to spend a lot of time in. So we've made sure you've got everything you need to make every moment magical.

This is our flagship motorhome, so we've pushed the boat out to include a huge range of luxury features as standard. Whether you're grabbing a well-earned weekend break, or you're off on a once-in-a-lifetime adventure, the Autograph comes packed with everything you need to travel well.

“Chilling with a GLASS of wine as the sun SETS”

COMPARE OUR MOTORHOMES ONLINE

Autograph

A *pleasure* TO DRIVE

At Bailey we never compromise on comfort. So our motorhome cabs are as comfortable as the living space behind them. Each vehicle in the range is powered by a 2.0 Blue Hdi 130bhp or 160bhp engine, along with a 6-speed manual gearbox. That means powerful performance for the journey and easy handling for you.

This is a cab where you can feel safe and secure. This is thanks to the ultra-low profile AL-KO AMC chassis which creates a low centre of gravity, making handling easier and braking more efficient. Getting in and out of the cab is easier too, thanks to the low-level entrance step. All our motorhomes come with driver airbags as standard, plus, all Autographs have passenger airbags, Air Con and cruise control too. A passenger airbag and Air Con are available as optional extras on Advance.

Choices, choices

WHICH MOTORHOME SUITS YOU?

Our handy comparison table helps you choose the right model, to make wonderful memories that last a lifetime.

APPROACH ADVANCE

EXTERNAL FEATURES

Alu-Tech bodyshell construction with GRP outer skin
 Peugeot Euro 6 Boxer Cab
 Peugeot 2.0 Hdi 130bhp engine
 Premium branded tyres with pressure sensors

Anti-lock braking system (ABS)
 Electronic Stability Program (ESP)
 Driver air bag

Fully adjustable upholstered driver and passenger Captain's seats
 Thermal cab side window covers

Ultra low profile AL-KO AMC Chassis

INTERNAL FEATURES

80 Ah premium leisure battery
 90 litre onboard fresh water tank
 90 litre exterior waste water tank
 Whale space heater and blown air heating system
 Dometic 80 or 103 litre refrigerator and detachable full width freezer compartment

Thetford duplex anti-rattle combination oven and grill
 Thetford 3-burner gas hob incorporating flush fitting glass hinged lid
 Up to four 230v sockets

Choice of Pimlico or Queensway soft furnishing options

EXTERNAL FEATURES

Alu-Tech bodyshell construction with GRP outer skin
 Peugeot Euro 6 Boxer Cab
 Peugeot 2.0 Blue Hdi 160bhp engine
 Premium branded tyres with pressure sensors
 15" or 16" alloy wheels (model specific)

Anti-lock braking system (ABS)
 Electronic Stability Program (ESP)
 Driver and passenger airbag
 Cab air conditioning and cruise control

Fully adjustable upholstered driver and passenger Captain's seats

Concertina windscreen and side window blinds

DAB Radio with Bluetooth connectivity
 Ultra low profile AL-KO AMC Chassis
 Fiamma F45S aero style awning
 Truma 100 watt solar panel

Exterior gas BBQ point

INTERNAL FEATURES

110 Ah premium leisure battery
 93.5 litre onboard fresh water tank
 93.5 litre exterior waste water tank
 Alde programmable radiator heating system
 Dometic 145 litre tower refrigerator and detachable full width freezer compartment
 Stainless steel 800 watt microwave oven
 Thetford duplex XL combination oven and grill
 Thetford 3-burner gas hob incorporating flush fitting glass hinged lid with electric hotplate
 Up to eight 230v sockets
 Up to three USB sockets

Media Pack: Reversing camera, HD Digital TV with DVD/CD Player, TV bracket and digital television aerial.†

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's being going for 70 years!

We're very excited to be celebrating our 70th Birthday. We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love so you can create some really special memories. Here's to the next 70 years!

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in south Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure, and now we're delighted to be celebrating our 70th Birthday!

All these years on, Bailey is still a family business, run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to make memory after memory in our vehicles.

Nick Howard.
Managing Director.

Our *precious* MEMORIES

TESTED TO THE LIMIT

In 2017, we took two caravans and a motorhome on a 5,000 mile round trip to Northern Finland inside the Arctic Circle.

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process, allowing us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

EVEN IN THE
Arctic...
our motorhomes are proven to perform whatever the weather.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a motorhome is likely to encounter in its lifetime, to ensure that everything is up to the task when the vehicle is in use.

Simulated track testing is one thing, but we believe that nothing actually beats putting your products through their paces. That's why in 2017 we embarked on a marathon endurance test, taking two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. They took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

Crash testing

Safety considerations are of paramount importance in any new vehicle design, which, in an industry first, is why Bailey decided carry out a series simulated crash tests on its original motorhome proto types. Again using the facilities at Millbrook the results of these trials prompted design changes to the vehicle floor and furniture to enhance passenger protection. Included now as standard on every Bailey motorhome these unique features make our vehicles some of the safest available today.

MANUFACTURING IN BRISTOL

We're leading the way

We're proud to have the UK's only mechanised assembly line.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community.

The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Our on-site replenishment centre.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing

14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our Parts Direct operation to North Bristol and our Large Panel Laminating Plant (where we produce the motorhome sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Large Panel Laminating Plant has moved to North Somerset.

Our Bailey Parts Direct operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE
confident...

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for seventy more years .

ALU-TECH MEANS YOU CAN

The technology that helps create those special *memories*

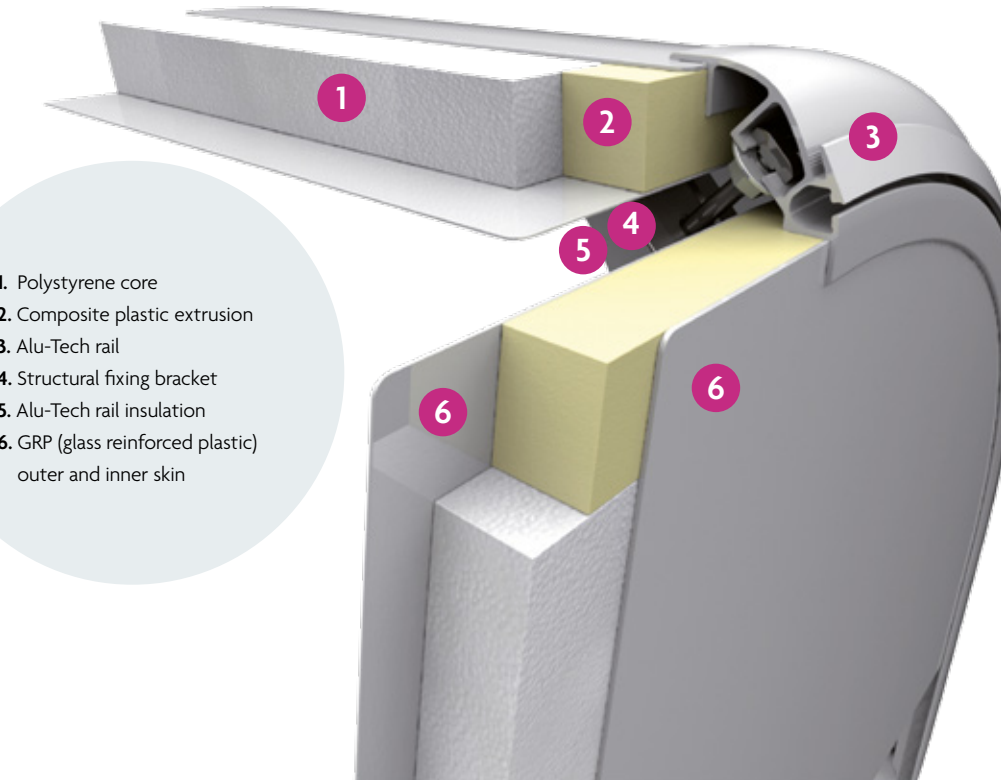

One of the most important developments in the recent history of leisure vehicle design happened nearly ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic leisure vehicle design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked “is there a better way?”

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components

SUPER STRONG AND
robust
TO KEEP YOU SAFE.
You can rely on our
Alu-Tech technology

in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the motorhomes genuine four-season vehicles. And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.

1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

A 50,000

To date, approaching 50,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

How is Alu-Tech better?

1. Increased strength and durability...

giving you greater protection against the elements to keep you comfortable, safe and secure all year round.

2. Improved insulation...

keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.

3. Improved protection...

greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.

4. Lighter bodyshell...

making Bailey motorhomes accessible to a wider range of drivers and making it more economic to own.

5. Better balanced bodyshell...

makes the motorhome inherently more stable enabling it to take even the most demanding journeys in its stride.

6. Cost neutral improvements...

all of the benefits of Alu-Tech come at no extra cost to the customer.

BAILEY PARTS AND ACCESSORIES

Be *prepared* for every journey.

Once you're the proud owner of a Bailey motorhome or caravan you might want to add your own finishing touches, like some kitchenware or a portable barbecue.

Our online shop is an open door to our aftersales service, allowing you to easily find exactly what you need. Search for specific parts by vehicle make and model, and browse our expanded category range on our bespoke website. You can buy online 24/7, get your items delivered or opt for click and collect to your nearest store. You'll find a network of Prima shops across the country, from our flagship store in Bristol through to outlets at motorway service stations – very handy for when you're on your travels!

Everything you need for your caravan or motorhome is just a click away...

HOW TO **BUY** A BAILEY...

Closer than you think.

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our motorhomes. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey motorhomes*, in which you can spend time in order to decide what model best suits your needs.

*Subject to availability

**Terms and conditions apply. Please refer to www.baileyofbristol.co.uk for more details

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.

Your
memories
start here!

The Bailey warranty

When you're buying a new Bailey, your motorhome will come with all the reassurance of our manufacturer's warranty. Your motorhome's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years**. Whether you're new to motorhomes or you're a seasoned traveller, that gives you some excellent peace of mind when you're out on the open road.

JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger holidaymakers!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.baileyparts.co.uk. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your motorhome.
