KEY FEATURES ACROSS SWIFT CARAVAN RANGES

A full list of features can be found on the website swiftgroup.co.uk

ALL RANGES

Exterior

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- Overall body width 2.23m/7'4" or wider
- AL-KO galvanised steel chassis with Euro-axle
- SMART construction with GRP body panels and timber-less framed bodyshell
- LED front marker lights
- Fuel saving, aerodynamic profile
- Exclusive LED light clusters with LED high level marker and brake light which provide better visibility in poor weather
- LED side marker running lights
- Wide access gas locker door with either two compression locks (Sprite) or single lever three point locking (all other ranges)
- Surface mounted impact resistant skirt system
- Semi-recessed body colour awning rail both sides (except Elegance)
- Higher tyre rating - a load margin is included in the tyre specifications
- Step-on hitch cover for easy cleaning of front windows
- LED awning light
- Aerial point in battery box for portable satellite dish connection
- Fixing bars for optional Thule rear mounted two cycle rack

Interior

- 1.95m (6'5") headroom
- Curtains to all windows (except washroom)
- Twin curtain track for improved hanging and ease of use
- 'Aralie Sen' woodgrain and complementary furniture
- Positive overhead locker catches for secure storage on the move with chrome handles
- Chrome effect sockets and switches
- 'French Oak' effect, high impact, scratch resistant floor lino
- Sectioned removable carpets for flexibility (not washroom)
- Front chest of drawers with convenient slide-out extending top (model specific)
- Front seat bases with spaceframe construction, full front access and space for larger items
- Beech slat seat and bed bases for extra comfort and sprung hinged tops for easy access
- Seat and backrest ventilation boards (model specific)
- Bed make-up system with slats retained on track (Mid bed uses the table)
- Exclusive and more durable Duvalay Duvalite mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (fixed bed models only)
- Fixed beds with aluminium bed frames to maximise strength and storage space
- Kitchen work top extensions (model specific)
- Pull-out wire basket in kitchen cupboard (two in some models)
- Chrome effect swivel spout kitchen and vanity taps for improved use
- Dining table suitable for full-size place settings
- Removable extension drainer with dedicated storage
- Thick washroom door with domestic style lock

and handle

- Easy clean white gloss washroom walls
- **New** Micro-Heki roof light in all washrooms
- Shower bi-fold door retained on track for improved access with travel lock (model specific)
- Cassette flyscreens and blinds on all windows

Equipment

- Enhanced Swift Command control system with updated 'user friendly' app interface
- Pre-installed Thatcham Category 6 approved pro-active tracker (subject to annual subscription).
- Swift Command Intelligent power supply unit with LCD control panel. Functions include; battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- **New** fridge control and monitoring
- **New** Dometic Freshjet aircon control (dealer fit option)
- Swift Command app allows certain functions to be controlled / monitored remotely and comes with;
 - Remote levels viewing
 - Remote control of power, lighting and heating
 - Enhanced remote heating controls with **New** heater status bar
 - **New** 'Places of Interest' feature including 'Campsites' from the Caravan and Motorhome Club and the Camping & Caravanning Club
- Digital programmable controller for heating and hot water with ability to be remote controlled via Swift Command
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Thetford C260 toilet with electric flush and 18 litre wheeled waste tank
- High flow rate onboard pump with chrome effect taps for reliable, high performance water supply
- LED lighting throughout interior
 - Adjustable spotlights in lounge
 - Over locker lighting and recessed ceiling lighting
- Status directional digital and analogue TV aerial
- TV station with 230V, 12V and aerial sockets (two in selected models)
- TV bracket including a travel lock where fitted
- Minimum of four 230V sockets including twin in front shelf 'pod' (model specific)

Safety and Security

- Thatcham Category 6 approved pro-active tracker fitted as part of Swift Command system (subject to annual subscription)
- Convenient one-key high security locks
- Smoke alarm
- Carbon monoxide detector
- CRiS identity number labels on windows and caravan chassis
- Concealed security data chip within caravan construction

Customer Services

- Exclusive online Connect Direct account with direct access to Swift

SPRITE

Additional features

- Alarm system (infra-red with tilt sensor and key-fob operation)
- Roof-mounted solar panel

DISCLAIMER

This brochure does not constitute an offer by Swift Group Limited (Swift). Swift reserves the right to alter specifications and prices at any time as materials and conditions demand. Distributors and dealers sell Swift products on their own account and not as agents of Swift. Accordingly, they have no authority to bind Swift or to make any representation or undertaking whatsoever on behalf of Swift. All props are for photographic purposes only and are not included in the specification. Issued September 2017.

PURE CONFIDENCE

The difference is Swift

Whether you're seeking exhilarating adventure or peace and tranquillity, our aim at Swift is to make your holiday as comfortable and enjoyable as possible.

We continually invest in design and innovation to make sure your Swift caravan is one of the most stylish, technologically advanced and practical. That's why every Swift caravan features all these box ticking benefits:

- ✔ SMART construction system with timberless framed, GRP bodyshell
- ✔ Swift Command an app based intelligent vehicle management system
- ✔ Swift Command Tracker, a pre-installed Thatcham Category 6 approved proactive tracker with option to subscribe
- ✔ Connect Direct, an exclusive online customer service account for owners
- ✔ 'SwiftShield' stain resistant, easy clean fabric (optional)
- ✔ Duvalay 'Duvalite' mattress on all fixed beds
- ✔ Dual fuel boiler delivering domestic style heating and hot water
- ✔ Ultra-low energy LED lighting throughout interior
- ✔ Designer styled soft furnishing schemes
- ✔ Sunroof (optional on Sprite)
- ✔ Dometic fridge
- ✔ Bleachable carpets designed to repel everyday spills, stains and dirt
- ✔ European Whole Vehicle Type Approval
- ✔ Grade 3 classification for heating and thermal insulation enabling all year round use
- ✔ British owned and manufactured
- ✔ 10 year manufacturer backed bodyshell warranty

SWIFT
SMART

SMART CONSTRUCTION

SMART is the UK's leading modern construction system, it is engineered to make it consistent, reliable and repeatable time after time.

Designed to be strong and lightweight, SMART is constructed with GRP balanced panels comprising 'PURE' polyurethane batons instead of timber, an insulating high density polystyrene core, and a GRP inner and outer skin. The exterior roof has hail resistant GRP for extra robustness. Swift uses GRP in its SMART construction as it is more impact resistant than aluminium.

For SMART, all exterior fixings are into structural batons that are impervious to water. SMART HT as found on the Elegance range uses an aluminium jointing system with cold bridge technology to avoid condensation, and incorporates an innovative patented five layer composite floor structure that is also timber-less.

SWIFT
COMMAND
DEVELOPED WITH SARGENT

SWIFT COMMAND

For 2018, Swift Command has been upgraded with even more vehicle functions to manage, including the fridge and extra features like places of interest.

Swift Command is an intelligent, app based vehicle management system that you can operate with a smart device from inside your vehicle or remotely, to monitor and manage your habitation functions like heating, lighting, water and power levels. There are also a host of features such as the useful locator function and the new 'places of interest' that includes club campsites.

SWIFT
COMMAND TRACKER

BY SARGENT

SWIFT COMMAND TRACKER

Pre-installed on all Swift caravans is Swift Command Tracker, a Thatcham Category 6 approved proactive tracker. Owners can choose to subscribe to protect their valuable caravan and precious possessions, and may also benefit from discounts on their caravan insurance.

SWIFT
CONNECT DIRECT

SWIFT CONNECT DIRECT

Swift's online customer service portal, with key benefits of: access to information 24/7; ability to report faults directly to Swift; product upgrades and notifications; live chat direct into Swift's experienced retail team; upload service history records and service history reminders.

Travelling thousands of miles, sometimes on rough bumpy roads and with hundreds of different components in each caravan, problems can surface. If that happens, then through Connect Direct, Swift works with you and your dealer to resolve.

SUBJECT TO T&C'S

INVESTMENT FOR THE FUTURE

Retaining the good looks and condition of a caravan can make a significant difference to its future resale value. Swift is constantly evaluating new and improved materials that are more resilient, which is why Swift can offer a 10 year bodyshell warranty that is manufacturer backed.

SWIFT

GRADE 3
INSULATION

FOR YEAR ROUND
COMFORT

GRADE 3 INSULATION

All Swift caravans are rated Grade 3 for insulation. This is achieved through a rigorous testing regime in a cold chamber, where the caravan is chilled to minus 15°C and has to warm up to plus 20°C within 4 hours.

With Swift Command, if the temperature does drop while an owner is away, they can turn their heating on to ensure a warm and welcoming return to their caravan.

SWIFT

SHIELD

SWIFTSHIELD

An ingenious fabric that through the manufacturing process creates a resilient yet comfortable suede like fabric so that if coffee or red wine gets spilled or it's marked by crayon, pen or dirt, then with a simple wipe of a damp cloth they all disappear. A full SwiftShield scheme is an optional fabric on all ranges.

REGENCY CARPET

100% bleachable, all Swift carpets are designed to repel everyday spills, stains and dirt.

SWIFT PARTNERSHIPS

duvalay™
BEDTIME LUXURY

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative light weight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

truma

Truma provide one of the industry's leading heating systems which features as standard on Sprite

and Challenger ranges. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of their products to prove they meet the Grade 3 standard for heating and insulation.

Alde®

Way back in 1994 Swift chose Alde heating systems to help make their caravans feel more like home.

Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable caravan heating for the great explorers of the world, and keep on innovating to this day. Swift caravans are tested down to minus 15°C to ensure you stay cosy no matter where your journey takes you.

Oyster®
Sat-Tech Ltd.

A ten Haaft Company

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Diamondbrite
LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your caravan.

The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

BASECAMP

Basecamp is a sporty, fun and stylish, super compact, crossover camping vehicle for life's adventurers, who are seeking to discover new experiences away from the crowd.

PURE
ADVENTURE

BASECAMP

Ext Length	5.10m / 16'9"
Int Length	3.42m / 11'3"
MRO	883kg / 17.4cwt
MTPLM	994kg / 19.6cwt
Awning	Vango AirBeam

Basecamp Key Features:

- **Enhanced SMART Plus** construction with balanced panel side walls with GRP outer and inner skin, 'PURE' timberless framing and 44mm 'sandwich' floor construction with GRP outer skin
- Aerodynamic GRP front with graphite mouldings and panoramic opening sunroof
